Benson Briefs.

Benson, Sept 25.—Mrs Mrs L J Barr and daughter, Miss Louise, after spending some days with Mr and Mrs H L Grayson, have returned to Kingstree, where they will reside in future.

Mrs J B Steele of Kingstree, accompanied by her two fine boys, and Miss Rosa May Steele visited relatives in this vicinity recently.

Mrs Maria Hilton of Kershaw is visiting relatives in our community.

The local merchants have filled up their establishments with fall merchandise. Benson now has three stores, as follows: H L Grayson & Bro., F Rhem & Sons, and J F Scott. The new gunnery here is also doing a good business and is a great convenience in this locality.

Cotton is being rapidly picked and sold as fast as it is packed into bales. There seems to be no disposition to hold it this year. The crop is short and in some fields the harvesting is practically finished.

Rev J W Wilder filled his appointment here last Sunday morning. He announced that he would hold a protracted meeting, commencing at his next regular appointment and perhaps continuing through the following week. W. S. G.

Letter to Rev. W. B. Justus, Kingstree, S. C.

Dear Sir: In making pastoral visits, of course, you do not consider your pleasure or comfort or ease: you go where your people live. But you have two sets of feelings in going about—can't help it—we all have. But you especially have: for a part of your business is sympathy. Well-kept lawns and well-tilled fields, nice homes and nice people, are cheerful to you, as they are to everyone. Tumble-down buildings, poor fences, men harassed by burdens too heavy for them, overworked women, and dirty-faced children, you may be strong to get on with: but you would be more than human to find inspiration in misery.

Paint divides the sorts of people: one paints, and the other don't. Or, perhaps, the thrifty paint well; the unthrifty paint ill.

To paint well is to keep paint sound. There are two ways to do it; one is bound to paint often; the other to use good good paint.

It costs about half as much to paint Devoe as to paint with any other paint; for Devoe takes fewer gallons than mixed paints and wears twice as long as lead-and-oil.

The thrifty and comfortable have the art of using money more wisely. How lucky they are! how happy.

Yours truly, F W DEVOE & Co. P. S. D C Scott sells our paint.

CURED OF BRIGHT'S DISEASE

Geo A Sherman, Lisbon Red Mills, Lawrence Co., N. Y., writes: "I had kidney disease for many years and had been treated by physicians for twelve years; had taken a well known kidney medicine and other remedies that were recommended but got no relief until I began using Foley's Kidney Cure. The first half bottle relieved me, and four bottles have cured me of this terrible disease. Before I began taking Foley's Kidney cure I had to make water about every fifteen minutes day and night, and passed a brick-dust substance, and sometimes a slimy substance. I believe I would have died if I had not taken Foley's Kidney Cure." Sold by all dealers.

Familiarity breeds contempt for mosquitoes. Bring us your JOB WORK.

How to Save Money.

Money saved is money made. For every \$1.00 you spend at either of my three stores, I guarantee to save you from 12 1/2 to 20 per cent. It takes 3 large stores to hold our immense stock.

In store No. 1 located on the corner, I carry a complete line of Dry Goods, Notions, Shoes and Clothing.

In store No. 2 we carry a complete and up-to-date line of Heavy and Staple Groceries.

In store No. 3 we carry a beautiful line of Furniture, Cook Stoves, Mattings, Trunks and Coffins.

An inspection is all we ask. Call and see us.

Yours for Business,
S. V. TAYLOR,

Some doubt

and some are surprised that our suits could be as good as 'tailor made'. Perhaps they don't know that crack New York tailors make our clothing. Our regular customers can tell you all about the many advantages of dealing here.

Early buyers, and College boys will find a most complete line of fall suits, overcoats, underwear and hats ready for them, with Styles strictly up-to-date, and prices that do not tell of the advance in many lines.

We'll be pleased to show you the new styles at any time.
