

"TAILOR"

Tinkles Musically Into the Ears Of Many Men,
But Isn't the Reverence With Which the Tailor Is Regarded Largely Sensational?

"High Art" Clothes are Tailor-Made in the Sense That They are Cut By Graduates of the Custom School, but we Attach Little to That.

Style and Fit are the Only Factors Worthy of Consideration in Tailoring and these are as Much a Part of "HIGH ART" Clothes as the Cloth Itself.
 From Makers of Renown we have Furnishings of all Sorts for Man or Boy.

We have Men's Suits in the Best Makes at \$6 \$7, \$8, \$10, \$20.
Think It Over Before You Buy and Don't Go and Buy a Shoddy Suit at the Above Prices When You Can get the Best Goods for the Same Prices.

The first passenger train to stop at the new depot was No 50 on Thanksgiving afternoon. The stopping-place is quite accessible to the business part of the town and is of great convenience to the traveling public generally. Everybody is delighted with the change from the old, unsightly structure to the pretty brick building now occupied as the station.

A FARMERS' INSTITUTE.

To be Held at Lake City on December 15.

The following letter has been handed us for publication. All farmers and others interested in the work of Clemson College in this educational campaign are cordially invited to attend the Institute. Remember there will be two Institutes held in this county—one at Kingstree Thursday, December 14, and one at Lake City Friday, December 15.

Clemson College, S. C., Nov. 7, 1905.

Mr J C Young,
 Lake City, S. C.

Dear Sir:—
 We are going to hold a Farmers' Institute in your town on December 15th. We will be in Lake City as soon as possible on the morning of the 15th and will spend the day there. We would be very much pleased if you would kindly assist us in the institute work. If you have time, we would like for you to advertise the meeting as much as possible and work up interest among the farmers so that there will be a good attendance.

I suppose that you have seen in the papers that we are going to have a car with as much of Clemson in it as we can get. We will have with us some of the very best speakers on agricultural subjects that the country affords. We would like to have

Overcoats

Much depends on the weather and the purpose you want an Overcoat for. So far as our stock is concerned it doesn't matter at all. There are Overcoats here for all kinds of weather and all kinds of purposes. Top Coats for Young Men that are right up to the minute in style, fit and artistic tailoring. Medium weight Overcoats in the different lengths. Heavier Overcoats from 42 to 52 inches long, for real winter weather. Cravenette Rain Coats for good or bad weather—the kind that give satisfaction. And remember—no extravagant prices on any them.
