**Dyspepsia and General Debility**  
are cured by P. P. P., Lippman's Great Remedy, the superior of all sarsaparillas.  
P P P is the greatest tonic for the stomach that was ever known. Indigestion, Bad Dreams, and Biliousness give way rapidly to the powerful tonic and blood cleansing properties of P. P. P.  
A prominent Railroad Superintendent living at Savannah, Ga, (in which city he was born), says he feels better than he ever did, and he had the worst case of dyspepsia on record. He had no appetite, and the little he ate disagreed with him, causing him to vomit often; he had pains in the head, breast and stomach; but after using three bottles of P. P. P. he felt like a new man. He says that he feels that he could live forever if he could always get P. P. P.  
His name will be given on application to us. Sold by W L Wallace.

Hereafter we positively refuse to publish any communication received at this office later than Tuesday, noon, except local and personal items, which will not be available later than Wednesday, noon, for the current week. By trying to be accommodating we are thrown late every week and we are tired of it. This notice applies to EVERY BODY.

It contains Cod Liver Oil and Hypophosphites so prepared that it is easy to take and easy to digest.  
ALL DRUGGISTS, 50c. AND \$1.00

Thomas A. Edison, the great American inventor, says: "Fully eighty per cent of the illness of mankind comes from eating improper food or too much food; people are inclined to over-indulge themselves." This is where indigestion finds its beginning in nearly every case. The stomach can do just so much work and no more, and when you overload it, or when you eat a wrong kind of food, the digestive organs cannot possibly do the work demanded of them. It is at such times that the stomach needs help; it demands help, and warns you, by headaches belching, sour stomach, nausea and indigestion. You should attend to this at once by taking something that will actually do the work for the stomach. Kodol will do this. It is a combination of natural digestants and vegetable acids and contains the same juices found in a healthy stomach. It is pleasant to take. It digests what you eat. Sold by W. L. Wallace, M. D.

**Railroad Fare to**  
**Fair Cut in Half**  
October 28 to November 1

The railroads have agreed to give half rates from all points in South Carolina to the great State Fair this year. That is one fare for round trip to Columbia and back to your home. This is considered one of the best and lowest rates granted anywhere in the south for any occasion and the Fair authorities feel that they are justly recognized as having a deserving, big show.

Never before in the history of the Fair (39 years) has the outlook for a big and crowded show been so marked. The tremendous cotton yield with the extra money at hand throughout the state means the biggest crowds ever known in Columbia. And the Fair authorities have been wide awake. More accommodations have been arranged than ever and everybody will be in Columbia Fair Week.

The big football games will attract thousands of people. Clemson will be in Columbia. Winthrop will be in Columbia. Thousands of your old friends will be in Columbia. Everybody ought to be in Columbia for Fair Week, October 28 to November 1.

The finest races ever held in the South Atlantic States will be witnessed at the Fair this year. The largest, most varied and most instructive exhibits ever gathered for a southern Fair will be displayed this year at Columbia. The biggest and best Midway ever seen in the South will have their shows wide open at the Fair.

**Sour Stomach**  
No appetite, loss of strength, nervousness, headache, constipation, bad breath, general debility, sour risings, and catarrh of the stomach are all due to indigestion. Kodol relieves indigestion. This new discovery represents the natural juices of digestion as they exist in a healthy stomach, combined with the greatest known tonic and reconstructive properties. Kodol for dyspepsia does not only relieve indigestion and dyspepsia, but this famous remedy helps all stomach troubles by cleansing, purifying, sweetening and strengthening the mucous membranes lining the stomach.  
Mr. S. S. Ball, of Ravenswood, W. Va., says: "I was troubled with sour stomach for twenty years. Kodol cured me and we are now using it in milk for baby."
