

**TO REPEAL THE LIEN LAW.**

**Mr J Davis Carter Calls a Meeting to Instruct Representatives.**

Editor COUNTY RECORD:—New the smoke has all cleared away and the olive branch hung out, I should like to come into your columns for a short talk to the farmers and business men of Williamsburg.

What I want to say is this: In view of the fact that the labor contract system has been set aside by the courts and we now have no system by which we can control labor, and under the present lien law, I can see nothing that the farmer can base hopes on for anything better in the future, and the farmers all over the State are rising in their might and demanding the repeal of said law, and in order that our senator and members of the house may know the sentiments of our people, I therefore call a mass meeting of the farmers and business men of Williamsburg to meet in Kingstree the first Monday in January, at 12 m., for the purpose of discussing these questions that our members may act in accordance with the wishes of the people.

Respectfully,  
J DAVIS CARTER  
Leo, S C, December 4, 1907.

The finest coffee substitute ever made, has recently been produced by Dr Shoop of Racine, Wis. You don't have to boil it twenty or thirty minutes. "Made in a minute" says the doctor. "Health Coffee" is really the closest coffee imitation ever yet produced. Not a grain of real coffee in it either. Health coffee imitation is made from pure toasted cereals or grains, with malt, nuts, etc. Really it would fool an expert—were he to unknowingly drink it for coffee.

**THE NEW YORK WORLD THIRICE-A-WEEK EDITION.**

Read Wherever the English Language is Spoken.

The Thrice-a-Week World expects to be a better paper in 1907 than ever before. In the course of the year the issues for the next great Presidential campaign will be foreshadowed, and everybody will wish to keep informed. The Thrice-a-Week World, coming to you every other day, serves all the purposes of a daily, and is far cheaper.

The news service of this paper is constantly being increased, and it reports fully, accurately and promptly every event of importance anywhere in the world. Moreover, its political news is impartial, giving you facts, not opinions and wishes. It has full markets, splendid cartoons and interesting fiction by standard authors.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper and THE COUNTY RECORD together for one year for \$1.75. The regular subscription price of the two papers is \$2.00.

Those who desire to pay their taxes through the mail, would expedite matters by dropping the Treasurer a postal asking for the amount of their tax so as to avoid sending the wrong amount, also stating the township or townships, (if property is owned in more than one) and if possible give school district where property is located, also state whether poll or road tax, or both are wanted.

After paying taxes examine your receipts and see if all of your property is covered, if not, see about it at once.

By following the above suggestions complications and additional cost may be avoided.
