A weak stomach means weak stomach nerves, always. And this is also true of the heart and kidneys. It's a pity that sick ones continue to drug the stomach or stimulate the heart and kidneys. The weak nerves, not the organs themselves, need this help. This explains why Dr Skoop's Restorative has, and is promptly helping so many sick ones. It goes direct to the cause of these diseases. Test this vital truth, and see. Sold by D C Scott.

"Health Coffee" is really the closest Coffee Imitation ever yet produced. This, the finest substitute ever made, has recently been produced by Dr Skoop of Racine, Wis. Not a grain of real coffee in it either Health Coffee is made from pure toasted cereals, with malt, nuts, etc. Really it would fool an expert—who might drink it for coffee. No twenty or thirty minutes boiling. "Made in a minute," says the doctor. People's Mercantile Company.
