If you would like to fool some wise Coffee Critic, who "knows fine Coffee on taste and flavor," quietly make for him a batch of Dr Shoop's "Health Coffee" and serve it piping hot. It deceived Mrs Shoop, and will I believe deceive any one. And there is not a grain of real Coffee in it. Health Coffee is made from pure toasted grains, malt, nuts etc. Made in a minute—no 20 to 30 minutes tedious boiling. 1 1/2 pounds 25c. People's Mercantile Co.

Bring Your Cotton Seed.

We have closed down our ginneries for the season because there is no more cotton to gin.

We are paying \$20 per ton for good, sound, dry cotton seed, delivered at our mill.

To those who do not care to sell their seed for cash we are offering a strictly high grade meal in exchange. Our rate of exchange at the mill is 1600 lbs. of meal for one ton of seed. It is a conceded fact cotton seed meal is a cheaper and more effective fertilizer than cotton seed. According to chemical analysis of each 888 pounds of cotton seed meal are equivalent to 2000 pounds of cotton seed, but owing to the superior mechanical condition of meal, it is safe to assume that 800 pounds of meal are the full equivalent to one ton of cotton seed, therefore, whatever excess above 800 pounds of meal the farmer gets in exchange for a ton of seed is so much clear profit to him in comparison with using the ton of seed directly as a fertilizer. You can readily see that by exchanging your seed with us you realize nearly 100 per cent on the transaction.

Bring your seed to us and not make the mistake of getting inferior meal elsewhere in exchange.

Our meal is open for inspection. Samples sent on application.

Yours,
SOUTH ATLANTIC OIL CO.,

THE THRICE-A-WEEK WORLD IN PRESIDENTIAL CAMPAIGN YEAR.

More Alert, More Thorough and More Fearless Than Ever. Read in Every English-Spoken Country.

A president of the United States will be elected this year. Who is he and who is the man whom he will beat? Nobody yet knows, but the Thrice-a-Week World will tell you every step and every detail of what promises to be a campaign of the most absorbing interest. It may not tell you what you hope but it will tell you what is. The Thrice-a-Week World long ago established a character for impartiality and fearlessness in the publication of news, and this it will maintain. If you want the news as it really is subscribe to the Thrice-a-Week edition of the New York World, which comes to you every other day, except Sunday, and is thus practically a daily at the price of a weekly.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 159 papers. We offer this unequalled newspaper and **THE COUNTY RECORD** together for one year for \$1.75.

The regular subscription price of the two papers is \$2.00.

Effect of Lime on the System.

A medical scientist is authority for the statement that children and old people especially suffer from a lack of lime in the system. Persons who habitually drink soft water, while they may enjoy immunity from certain of the ills of life, expose themselves to others perhaps quite as much to be avoided. Hard water helps the teeth and the bones by furnishing lime, which is necessary to health, growth and development. Old persons who drink but little lose their teeth more quickly than those who take a reasonable amount of drinking water. Lime or food products in which it it abounds should be a part of the regular supply furnished to the system.

Be careful about that little cough. Get something right away; some good, reliable remedy that will move the bowels. Kennedy's Laxative Cough Syrup acts gently yet promptly on the bowels and allays inflammation at the same time. It is pleasant to take and is especially recommended for children, as it tastes nearly as good as maple sugar. Sold by W L Wallace.

Good For Flies.

"Give me, sir," said a man, entering a druggist's shop, "ten pounds of your patent fly poison."

"Ten pounds?" said the salesman rather suspiciously. "That is rather a large order, isn't it?"

"Yes, I know it is," said the man.

"but, you see, I liked that half pound I bought here yesterday extremely well. I gave it to a fly, and he seemed to relish it at first, but toward evening it made him quite ill. I propose to keep up the treatment for a week, for I think that in the end I may manage to kill him."—London Scrap.

Weak Kidneys

Causes more trouble than any other organ of the body. The function of the kidneys is to separate inorganic salt and water in the process of circulation, and to remove them and their attendant poisons from the body through the bladder. Therefore when the kidneys become diseased and weak they are naturally unable to perform their work properly, and pains in the back, inflammation of the bladder and urinary disorders are the result. It is imperative that a prompt relief be afforded, which is impossible unless you remove the cause.

DeWitt's Kidney and Bladder Pills

promptly eliminate poisons from the system and at the same time make the kidneys well and strong. For Weak Kidneys, Backache, Inflammation of the bladder and all urinary troubles DeWitt's Kidney and Bladder Pills are unsurpassed.

A Week's Treatment for 25c. Money back if they fail.

WHAT LYON SAYS.

Attorney General Makes Statement as to Attachment for Contempt.

COLUMBIA, March 8:—When Attorney General Lyon was shown the press dispatches as to the threatened attempt to have him attached for contempt on account of the strictures of Judge Pritchard, contained in the interview given out by him in Augusta, Georgia, last night, he said:

"It is not surprising that these harpies (referring to liquor lawyers) should wish to have me attached for contempt. This wail is probably caused, not from any disregard which may have been shown the learned Judge, but more probably from the prospect of being kept for a long while from plundering and feasting upon the revenues of South Carolina. The attorneys' fees and costs of the various satellites of the Court may possibly amount to \$50,000 or more. It is, therefore, not hard to understand the cause of the wail nor their unseemly haste to have the Court take action with the manifest purpose of circumventing the Governor when he advised the Legislature to act and protect the revenues and autonomy of the State.

"I repeat again that I will use every lawful means to save the State from the possibility of such plundering and will proceed in the courts of the State to checkmate the liquor houses that have fed upon the State, whenever it may be proper to do so, any orders of the United States circuit court to the contrary notwithstanding."

FELDER IS AMUSED.

AUGUSTA, GA, March 8:—Relative to the probable rule for contempt in Judge Pritchard's court against Attorney General Lyon, Hon Tom B Felder, assistant counsel with Mr Lyon, says the whole affair is a tempest in a teapot.

He says: "I question if the members of the bar will take the Judge seriously when he suggests that the State abdicates its sovereignty, because, forsooth, it enters into the liquor business." If this is sound the United States abdicated, according to this learned Judge, when it took over the operation of the mails.

"It may comfort those of us who may have claims against the United States Government to know that we may assert them by applying to Judge Pritchard for a receiver to take charge of the revenue derived from the postoffice department, and have it applied to the settlement of our claims." He says, referring to Mr Lyon being attached: "He will take care of himself. Pritchard will send him to jail the day after his receivers take possession of the fund in controversy, and this event will be on the seventh day after the world comes to an end."

Remember that when the Stomach nerves fail or weaken, Dyspepsia or Indigestion must always follow. But, strengthen these same weak inside nerves with Dr Shoop's Restorative, and then see how quickly health will again return. Weak Heart and Kidney nerves can also be strengthened with the Restorative where Heart pains, palpitation, or Kidney weakness is found. Don't drug the Stomach, nor stimulate the Heart or Kidneys. That is wrong. Go to the cause of these ailments. Strengthen these weak inside nerves with Dr Shoop's Restorative and get well. A simple, single test will surely tell. D C Scott.
