A POPULAR CANDIDATE!

Prof Stiles R Mellichamp, who is making a popular run for the office of State Superintendent of Education, and who will receive a flattering vote in Greenville county, his former home, is given a fine endorsement in the following editorial, which appeared in a recent issue of the Orangeburg Times and Democrat.

"While on a recent trip to the upper part of the State we met and conversed with a number of gentlemen from different counties, and we were delighted to find that the Hon Stiles R Mellichamp, candidate for State Superintendent of Education, would run well everywhere. We believe that Prof Mellichamp will be the next State Superintendent of Education. He is the best man running for the position and will possibly win in the first primary. Orangeburg county should do her full share to make this possible by giving him a practically unanimous vote. We appeal to the voters of Orangeburg county to stand by him, not only because he is a home man, but because he is the best man for the position in the field. He has served Orangeburg county well and ably in her educational affairs and he will do the same for the State. See to it that his name is on your ballot when you vote in the primary.

"State Superintendent of Education."

Editor the Greenville News: I want to call the attention of your readers to the candidacy of Prof Stiles R Mellichamp, of Orangeburg, for the responsible office of State Superintendent of Education. While I know nothing to the discredit of either of the other candidates for the office and hence make no reflection on them, I do know Prof Mellichamp well, and it gives me great pleasure to speak of his entire capability and general fitness for the place. A gentleman of culture and high tone, having ripe knowledge of educational affairs and active experience in teaching during his entire life career and a Christian of the purest stamp, Mr Mellichamp is in every way qualified for the office, and I take it as a matter of good fortune to the people of South Carolina that he is offering his services. Prof Mellichamp is already well known to many of our people in Greenville, he having been a member of the faculty of Furman University for some time. He has spent his life in educational work, being at this time Superintendent of Education of Orangeburg county. I repeat, it is fortunate for the people of the State to have the privilege of voting for such a man for an office, which I consider one of the most important that exists under our present government. Yours very truly,
H H PRINCE.

ACT QUICKLY.

Delay Has Been Dangerous in Kingstree.

Do the right thing at the right time. Act quickly in times of danger. Backache is kidney danger. Doan's Kidney Pills act quickly. Cure all distressing, dangerous kidney ills. Plenty of evidence to prove this. Mrs R L Logan, living on Depot Avenue, Manning, S C, says: "I suffered a great deal from kidney trouble. I could not rest well at night on account of the too frequent action of the kidney secretions and my back ached and pained me constantly. There was also an aching through my kidneys and I could not find a position that was comfortable. I used plasters and liniments, but did not find relief. The secretions from my kidneys were highly colored, and contained a brick dust sediment. It was finally my good fortune to learn of Doan's Kidney Pills, and I procured a box and began their use. They banished the backaches and pains and regulated the actions of my kidneys. I felt a great deal better and can say that Doan's Kidney Pills acted up to all claims made for them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co, Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.

A HOUSE PARTY AT MOUZON

Celebrating the Birth-day of Mrs S. R. Mouzon.

Mrs S R Mouzon celebrated her sixtieth birthday last week in a most interesting and unusual manner. Instead of celebrating one day, as is usually done, the whole week was made merry in the entertainment of a number of young friends and relatives.

No more suitable place could have been chosen for an "all-week-party" than this ideal country home with its wide, shady lawn stretching almost to the banks of the Wee Wee, which served the pleasure-seekers as surf, boating lake and fish pond. Nor could a more thoughtful and untiring hostess have been found to plan in detail the amusements for each day. If there were no picnic, straw-ride or fishing expedition on hand, there would at least be a "bee tree cutting" or something equally interesting to make the time pass pleasantly.

Those who composed the party were: Mr and Mrs S R Mouzon, Misses Loulie, Pattie, and Addie Mouzon, Inez and Rosalie Montgomery and Mamie King of Greelyville; Inez and Annie White of Manning; Nellie Mae, Pearle and Clara Montgomery of Kingstree; Carrie and Donnie Flagler of Cades; Messrs Edward, John Henry, and Barron Mouzon, W D Fulton, Sidney King, Cleve Flagler of Cades; Ben Hudnall, Anthony and Rob White of Manning. Besides these were the young people of the neighborhood, who called in the afternoons and evenings throughout the week.

Although the house party is now a thing of the past it will always be a fragrant memory to those who participated in its many pleasures.
