

BIG BARGAIN CARNIVAL

AT REDDICK'S, KINGSTREE, S.C.

Save this and wait until Saturday, October 17, when the greatest Bargain Carnival that has ever taken place in Williamsburg County, opens at

H. D. REDDICK'S STORE.

The cause of this Mighty Slaughter Sale is that the critical moment has arrived. This is the situation here now. The stringency of the money market has created a condition which has never occurred before. Circumstances have so shaped themselves that we are forced to slaughter

OUR ENTIRE STOCK.

We must raise money at all hazards. Our entire capital is tied up in merchandise, we therefore need relief. Heroic sacrifices are sometimes necessary. This is one of the times. We meet the situation promptly and emphatically. The urgent demand for money has brought this money-raising sale on H D Reddick, which he passes along to you. The enormity of our stock, the vital danger and burden it entails at this critical financial stagnation, forces us to reduce stock for cash—at any cost. Notwithstanding our reputation as givers of good values, we now give an extra twirl to the wheels of trade by offering such astonishing values that competition is not even attempted. It is not necessary to go into details relative to the high class merchandise we carry, for every man, woman, and child in Williamsburg County is well aware of the fact that anything bought from us is the best that money can buy.
