If any subscriber to whom a statement is mailed finds a mistake in his account, don't get mad about it, but just call our attention to the fact. We want only what is due us and we make no claim to infallibility.

We would greatly appreciate it is the several hundred delinquent subscribers to whom we are mailing statements would give the matter prompt attention. Publishing a newspaper is an expensive business and we try to pay all we owe.

Hereafter services will be held in the Episcopal church on the second and fourth Sundays of each month instead of the second Sunday only. On account of numerous removals Rev Dr Robert Wilson has been compelled to close the North Santee church, and the time formerly spent there will be devoted to Kingstree.

## P. P. P. Cures Rheumatism

Read what Nicholas Lang, the largest retail grocer in Savannah says about P. P. P.

F. V. LIPPMAN, Savannah, Ga.,  
Dear Sir—  
For many years I consumed much medicine, and in fact tried every means in my power to get cured of that terrible disease, rheumatism, which had undermined my health. I visited Hot Springs, Ark., without gaining relief, and at last in sheer desperation I took P. P. P. (Lippman's great remedy), and was in a short time entirely cured. In the eight years since that time I have not had a symptom of rheumatism.  
P. P. P. did the work to my entire satisfaction and made a quick and permanent cure.  
Yours truly,  
Nicholas Lang.
