Near Death in Big Pond.
It was a thrilling experience to Miss Ida Soper to face death. "For years a severe lung trouble gave me intense suffering," she writes, "and several times nearly caused my death. All remedies failed and doctors said I was incurable. Then Dr King's New Discovery brought quick relief and a cure so permanent that I have not been troubled in twelve years." Mrs Soper lives in Big Pond, Pa. It works wonders in Coughs and Colds, Sore Lungs, Hemorrhages, LaGrippe, Asthma, Whooping Cough and all Bronchial affections. 50c. and \$1.00. Trial bottle free. Guaranteed by D C Scott.

Legislative Act Prohibiting Soliciting Orders for Whisky.

Section 1. That each and every person, whether acting for himself or as agent for any person, firm or corporation, who shall conduct the business of liquor drummer, soliciting or receiving orders for interstate shipment within any county within this State, except as now authorized by law, any spirituous, malt, vinous, fermented, brewed, whether lager or rice beer, or other liquors or beverages, or any compound or mixture which contains alcohol and is used as a beverage, shall be guilty of a misdemeanor, and on conviction fined in a sum not exceeding \$1,000, or imprisonment for not exceeding six months, or both fine and imprisonment in the discretion of the court.

Scranton News Notes.

Scranton, March 16:—Mr D P Wall has gone to Charleston to accept a position as telegraph operator.

Mr Johnson spent Sunday with his parents at Elim.

Mrs S O Byrd and children of Florence are spending some time with relatives in Scranton.

Miss Maude Parker's school in the country closed last week. The Salem school, taught by Miss Bertha Collins, will close on the 26th inst.

An additional teacher will be employed in the Scranton graded school next year. A music department will be added.

Mr and Mrs Winslow Wright have moved to Coward's, where they will make their home for awhile with Mr Wright's nephew, Mr L O Hinson.

Mr J M Parker made a flying trip to Columbia the first of the week.

The folks having guessed that every single young man in town will be married soon, it is safe to assume that they have named the guilty party.

News is scarce in this town this week. Just these few lines to let you know that we are still living. W E C.

Lambert Locals.

Lambert, March 15:—As Miss Neta Haselden of Lambert and Mrs S G Varner of Virginia were driving home from church last Sunday the harness broke, causing the mule they were driving to become unmanageable. As the mule attempted to dash past the buggy Messrs Lester Richardson and Sam Joe Haselden were in, just ahead the ladies' buggy struck a large tree on the roadside turning it over and throwing both occupants about twenty feet ahead. They landed under the wheels of Mr Richardson's buggy, the wheels passing over one of them, yet they escaped injury with only slight bruises. The buggy they were in was completely demolished and the mule received several gashes.

Last Monday was horse and mule traders' day here. Buyers from Kingstree and Georgetown, together with our local talent, were out and quite a number of fine mules and horses were bought, sold and traded. The stock sold brought fancy prices.

Miss May Oliver, of Marion county, was the guest of her cousin, Mrs Walter C Hemingway last week.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F J Cheney & Co, Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F J CHENEY & CO, Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

Peculiar Accident Whereby Little Girl Is Fatally Injured.

Harpers, March 15:—Another fatal accident to a child happened near here last Thursday, the 11th inst. Little Mirty, the ten-year-old child of Mr and Mrs W O Camlin of Bloomingvale, just across the river from Harpers, was killed by a piece of scantling falling and crushing her body. The little girl was making a swing on a "gallows" used for butchering hogs, when the large cross piece, not being nailed to the posts it rested upon, fell, injuring her so seriously that she died after lingering twenty-four hours.

Mirty was a sweet child, beloved by all who knew her. She was a first cousin of little Willie Evans, the boy whose death was reported recently in these columns. To lose a child from natural causes is hard to bear, but to see one crushed to death before the helpless parents' eyes is heart-rending beyond the power of expression. The writer knows this terrible experience, having had a loved one crushed to death by a falling chimney in the cyclone fourteen years ago.

Our tenderest sympathy goes out to the bereaved parents and may God who shows His mercies to all, heal their bleeding hearts.

Unjust Discrimination.

They're calling the Marion (Ga) Record man an "old-fashioned editor," because he writes in this fashion:

"A lawyer charges a man \$10 for ten minutes' conversation—the man insists on paying it. A doctor charges \$1 for a prescription and the patient says: 'Oh, pshaw—is that enough?' An undertaker charges \$100 for conducting a funeral and he is just perfectly lovely with everybody inside and outside the family. A man buys a gold brick and apologizes for not having bitten before. An editor walks a mile in the hot sun to get the facts of a death or a wedding or social function and spends three hours writing it up and tells lies praising people until he hates himself. Then if he makes an insignificant omission, or charges five cents straight for two extra copies, he is a stingy, careless, good-for-nothing, old cuss, who never gets anything right and charges four times the price of city papers twice as large."

The Progressive Farmer.

Responding to the request of a number of our subscribers we have arranged a clubbing rate with The Progressive Farmer of Raleigh, N C. The club price is \$1.60 for THE RECORD and The Progressive Farmer, but to new subscribers only. The rate to old subscribers is 95 cents for renewal. 1-21-14

Card of Thanks.

Please allow me space through your columns to express our heartfelt gratitude to the people of Kingstree for their sympathy and kindness in our recent bereavement.

Respectfully yours,
Mrs R B Pendergrass and Family.

The Best Fertilizers for Corn

That the yield of corn from the average field can be greatly increased by intelligent and liberal fertilization has been repeatedly demonstrated. Large crops of good corn result from preparing the land well, using the right kind and quantity of fertilizer, good seed and proper cultivation.

Virginia-Carolina Fertilizers

will greatly "increase your yield per acre" of corn or any other crop. In some cases remarkable results have been obtained.

Mr. C. W. Caruthers of Sumpter County, Fla., writes: "Words cannot express the value of your fertilizer. It is really so far ahead of other companies' goods, that it would not pay anyone to use other goods, were they given free and put in the field. I can prove what I say to be a fact. I made a test on five acres. I used on one half the land your fertilizer and on the other half another company's fertilizer, same grade; the land received the same cultivation every time. I kept a correct account of the amount of money I got off each half and I got \$300 more from the land on which I used Virginia-Carolina Fertilizer than I did off the other half. I got four times as much corn from the land on which I used your fertilizer."

Write today to nearest office of the Virginia-Carolina Chemical Company for a free copy of the new 1909 Farmers' Year-Book or Almanac, full of the most valuable and unprejudiced information for planters and farmers; or ask your fertilizer dealer for a copy.
