AT SCRANTON.

HYMENEAL—THE GRIM REAPER—QUARTERLY CONFERENCE MEETS—OTHER MATTERS OF INTEREST.

Scranton, April 20:—Mr Byrd Matthews and Miss Mary Collins were happily married Sunday. Congratulations and best wishes.

Miss Helen Haddon, of the graded school faculty, spent Sunday with her friend, Mrs Newman of Florence.

Miss Maude Parker is visiting relatives at Florence.

Mr M H Mobley of Columbia was the guest of Mr J M Parker one day last week.

Mr A G Kollock, of the capital city, spent several days in town recently on business.

Miss Estelle Coward of Hartsville and Miss Ola Coward of Lake City spent Sunday with their parents, Mr and Mrs J M Coward.

The writer attended the closing exercises of the public school at Oak Grove, in Florence county, Friday night. A long and varied programme of recitations, dialogues and tableaux was presented and carried out in perfect order by the school. This school, taught by Miss Randolph of Leesburg, Fla., has had a most successful session.

The second quarterly conference for Scranton charge, M E church, South, was held with St John's church on Saturday and Sunday. In the absence of the presiding elder, Rev J E Carlisle, who was prevented from being present on account of sickness, Rev W H Murphy, pastor in charge, officiated. Rev W L Wait, pastor of the Methodist church at Lake City, preached a very strong sermon on missions, after which a splendid dinner was served in picnic style.

The business session was held in the afternoon with Rev Mr Murphy in the chair. Mr W Eugene Cooke was elected secretary. The pastor submitted written reports on the various interests of the charge, which were very satisfactory, although they did not indicate that extent of progress that might have been made.

On Sunday Mrs W L Wait, president of the Home Missionary society, delivered an interesting lecture on mission work.

The next quarterly conference will be held with St Paul's church, at Coward's.

Mr Robert L Kennedy died Saturday afternoon after a long and wasting illness of tuberculosis. He was just 32 years old and prior to his fatal illness was a young man of fine physique and robust health. He bore his suffering with marvelous patience and fortitude, and expressed his readiness to "meet his Pilot face to face when he had crossed the bar."

The funeral service was held at the Methodist church Sunday afternoon and was conducted by Rev W H Murphy, the pastor. The remains were interred in the adjoining cemetery beside his wife, who preceded him to the grave several years ago. The following gentlemen acted as pallbearers: Messrs C P Johnson, J M Parker, P M Lee, W E Cooke, Dr C H Pate and O B Carter.

Mr Kennedy was a popular young man and had many friends. He is survived by his parents, three brothers and a little son, Eugene, aged four years. The bereaved family have the sympathy of the community in their sad affliction.

Dots from Dellwood.

Dellwood, April 16:—Well, Mr Editor, as your columns seem to be lacking any news items from this vicinity, I will try to encourage others by writing a short letter.

Everything is very quiet around here and everybody as busy as possible. Farmers are making fine progress in planting. Most of them are through with corn, and several have begun to plant cotton. I think Mr Calvin Brown deserves the credit for having the best field of corn in this section, so far. Those refreshing showers that we are having seem to be greatly beneficial, especially to tobacco planters. The acreage of this crop, by the way, has been greatly increased in this locality over last year.

The chaingang has pitched its tent near Dellwood and begun work on the Indiantown road, commencing at James swamp. We are pleased to have the "gang" with us, as the hope of bettering the condition of our roads is encouraged by this movement.

The home of Mr and Mrs H P Snowden was blessed with the coming of a little daughter on last Friday afternoon.

Mr C B Cox has lately attached a planing mill to his machinery. This enterprise, we trust, will prove successful.

Miss Daisy Cox is spending a few weeks on a visit to friends and relatives at Cades.

Mr J T Huggins of Healon paid a visit to his daughter, Mrs J W Baxley, one day last week.

We are glad to note that our little Sunday-school at Midway school house, though organized but a few weeks ago, bids fair to attain an encouraging growth.

Mr Editor, as there is so little news around here, I'll lay aside my pen, take up my fishing rod and go down to the creek to see what the fish are doing.

SCHOOLS RECEIVE AID.

Six Have Already Complied with Terms of the Garris Act.

Superintendent of Education McCullough tells us that six schools in this county have taken advantage of the Garris act and received \$100 each to lengthen their terms to five months. Other schools are preparing to comply with the requirements of this act in order to obtain this aid. The terms of the act allow every school that does not run 100 days \$2.00 to every \$1.00 that the patrons put up to lengthen the term to five scholastic months. Following are the schools that have already complied and received aid from the State: Scranton, High Hill, Turkey Creek, Prospect, Cedar Swamp and Indiantown.

People past middle life usually have some kidney or bladder disorder that saps the vitality, which is naturally lower in old age. Foley's Kidney Remedy corrects urinary troubles, stimulates the kidneys and restores strength and vigor. It cures uric acid troubles by strengthening the kidneys so they will strain out the uric acid that settles in the muscles and joints, causing rheumatism.

FRAUD ORDER ISSUED.

Charleston Negro Accused of Running Crooked Produce Business.

Washington, April 19:—The postoffice department to-day issued a fraud order against the Central Produce Company and the Fullwood Produce Company of Charleston, conducted by W M Fullwood and J B Sanders. For some time these concerns have been in operation at 484 King street, and it is alleged that numerous victims have been induced to forward to them their country produce and never received any returns.

Fullwood is a negro, according to the reports that are filed with the postoffice authorities. He is as shrewd an operator as usually comes into the toils of the law. He knew the value of advertising and did a considerable amount of this in South Carolina, as well as Georgia, North Carolina and other nearby States. His plan was to advertise liberally as a commission merchant under the name of the Central Produce Company; he then opened accounts at the Dime Savings Bank, the State Savings Bank, the Carolina Savings Bank and other Charleston concerns, all of which he gave considerable trouble before they got rid of him. He was arrested December 3, 1908, and although he promised the government agents that he would not operate his business again, he has been doing so; hence, upon the recommendation of Special Agent Smith, the postoffice department decided to issue a fraud order. All persons will be warned against him and all mail for these concerns will be held up.

Paper From Cotton Stalks.

Cordele, Ga., April 19:—Dirt will be broken here Monday morning on the first cotton stalk paper mill ever erected. The Southern Cotton Pulp and Paper company has been chartered with a capital stock of \$1,750,000 and the material is on the ground for the erection of the buildings. The capacity of the plant will be 25 tons per day. About 40 tons of cotton stalks will be consumed in making a day's output. News print paper will be the principal product.

Foley's Honey and Tar is a safeguard against serious results from spring colds, which inflame the lungs and develop into pneumonia. Avoid counterfeits by insisting upon having the genuine Foley's Honey and Tar, which contains no harmful drugs.

P. P. P. Cures Rheumatism

Read what Nicholas Lang, the largest retail grocer in Savannah says about P. P. P.

F. V. LIPPMAN, Savannah, Ga.
Dear Sir:—
For many years I consumed much medicine, and in fact tried every means in my power to get cured of that terrible disease, rheumatism, which had undermined my health. I visited Hot Springs, Ark., without gaining relief, and at last in sheer desperation I took P. P. P. (Lippman's great remedy), and was in a short time entirely cured. In the eight years since that time I have not had a symptom of rheumatism.
P. P. P. did the work to my entire satisfaction and made a quick and permanent cure.

Your truly, Nicholas Lang.
