It has invariably been the great effort of the Thrice-a-Week World to publish the news impartially in order that it may be an accurate reporter of what has happened. It tells the truth, irrespective of party, and for that reason has achieved a position with the public unique among papers of its class.

If you want the news as it really is, subscribe to the Thrice-a-Week edition of the New York World, which comes to you every other day, except Sunday, and is thus practically a daily at the price of a weekly.

The Thrice-a-Week World's regular subscription price is only \$1.00 per year, and this pays for 156 papers. We offer this unequalled newspaper at The County Record together for one year for \$1.75.

About Duns.

A subscriber once received a dun through the postoffice, and it made him mad. He went to see the editor about it, and the editor showed him a few duns of his own, one for paper, one for type, one for fuel and several others. "Now" said the editor, "I didn't get mad when these came because I knew that all I had to do was to ask several reliable gentlemen like you to come and help me out, then I could settle all of them." When the subscriber saw how it was he relented, paid up and renewed for another year.
