

SOON NAME WILL BE CHANGED TO ANDREWS.

OFFICERS CHOSEN FOR TWIN TOWN— DESTRUCTIVE COTTON FIRE—POST- MASTER RESIGNS—LOCAL ITEMS.

Harpers, October 25.—Postmaster J. W. Poston of Harpers having resigned, patrons of the office have petitioned for the appointment of his successor. The new postmaster will doubtless be named in a few days.

An election was held in the town of Andrews last Saturday on the following questions, to wit: The change of name of the town from Harpers to Andrews; for or against the re-incorporation of the town, and for the election of four aldermen and an intendant. The result was unanimously in favor of the change of name and for re-incorporation, and the following-named gentlemen were elected as aldermen: D. R. Rogers and Frank Isocriet of East End; L. A. Rogerson and E. K. McKnight of West End. Mr. G. G. Davis of East End was chosen as intendant. The above-named gentlemen were elected without opposition and some of them without nomination. This is one town, so said, but each end of our one town is supposed to elect its own officers.

Mr. G. G. Davis, our popular intendant, is a good man, having been train and road-master of the G & W railroad for several years. He has the congratulations of the entire town on the high honor that has been bestowed upon him. "He who wins his spurs should wear them" with full honor.

Mr. D. R. Rogers, alderman-elect, is foreman of the A. C. L. Co's blacksmith shops. Mr. Frank Isocriet is head clerk of Commissary No. 2 of the A. C. L. Co. at East End. Mr. E. K. McKnight is one of the most successful farmers in our town, also Mr. L. A. Rogerson is one of the progressive farmers of the West End of Andrews.

With this corps of city fathers at the helm we expect to see the wheels of progress revolve at once, provided our people support them with their undivided efforts. The writer pledges his every effort as a private citizen, all his energy and influence to build up and govern this little town, and believes the council will have the full co-operation of the entire town.

A box-car on the G & W railroad, loaded with baled cotton, became ignited from a spark from the engine one day last week and burned 40 bales of cotton.

The writer has 10 acres of corn, planted after a successful crop of oats, which will be gathered this week. Everyone who has seen this corn says it will yield 50 bushels per acre. When gathered will report the yield with estimate of expense of producing this crop. Last May there was gathered from this same land 50 bushels of oats. A few acres of this land will be transplanted in cabbage in November and the remainder of the plot will be put in beans in February of next year.

Mr. R. S. Tisdale, an old Confederate soldier of this town, is still suffering from the ravages of an incurable disease. He has the sympathy of this community and all hope that he may at least obtain relief and be spared for a while longer to his loved ones and friends.

The Best Food for Workers.

The best food for those who work with hand or brain is never high priced. The best example of this is found in Quaker Oats. It stands at the top among foods that supply nourishment and vigor, without taxing the digestion, and yet it is the least expensive food one can eat. This great food value and low cost make it an ideal food for families who want to get the greatest good from what they eat. Laborers, factory or farm hands, fed plentifully on Quaker Oats will work better and with less fatigue than if fed on almost any other kind of food. All of these facts were proved and very interesting information about human foods were gathered by Professor Fisher of Yale University in 1908. You'll find Quaker Oats in regular size packages, and hermetically sealed tins; the latter is best for hot climates.

By helping us you help yourself. Buy from the houses who advertise in The Record and mention the paper.

KINGSTREE GRADED AND HIGH SCHOOL NOTES.

We are glad to have with us Miss Bessie McKenzie of Olanta, in Florence county, as a member of the tenth grade. We hope that this will be a successful year for her.

The Wee Nee Literary society held its regular meeting on Friday, October 22, at 3:30 p. m. The secretary, Mr. James Vause, being absent, the president appointed Mr. Frank Rodgers secretary pro tempore. The exercises were short but interesting. The debate was omitted on account of some mistakes in the secretary's books. We were glad to welcome the following as new members of our society: Misses Florence McIntosh, Louise Wheeler and Mr. William Epps. We hope that the society will prove beneficial to them.

We are glad to have our friend, Theo. Rodgers, a member of the tenth grade back with us. He was sick last week.

We were glad to have with us on Monday morning to conduct the opening exercises the presiding elder, Mr. Carlisle. He made some very interesting remarks about the late Dr. Carlisle of Wofford college. This is his first time to conduct the opening exercises of our school, but we sincerely hope that he will be with us many times in the near future.

Miss Beckham, our efficient fifth and sixth grade teacher, spent the week-end with friends in Charleston.

DEATH OF ANDREW BRADLEY.

Was Father of The Record's Pressman and a Respected Colored Man.

Andrew Bradley, a well-known and respectable colored man in town, died at his home Monday night and was buried Wednesday morning at 10 o'clock.

He was about sixty-five years old and his death resulted from a complication of diseases. He was the father of "Bunk" Bradley, who has been the faithful pressman for The Record during the past seven or eight years.

The deceased was fair type of the ante-bellum colored man that is so rapidly passing away.

The whole office sympathizes with Bunk in his bereavement.

Mr. F. G. Fritz, Oneonta, N. Y., writes: "My little girl was greatly benefited by taking Foley's Orino Laxative, and I think it is the best remedy for constipation and liver trouble." Foley's Orino Laxative is mild, pleasant and effective, and cures habitual constipation.

IF WOMEN ONLY KNEW

**What a Heap of Happiness It
Would Bring to Kingstree Homes.**

Hard to do housework with an aching back. Brings you hours of misery at leisure or at work.

If women only knew the cause—that Backache pains come from sick kidneys.

"I would save much needless woe. Doan's Kidney Pills cure sick kidneys."

Kingstree people endorse this: Miss Pollie Vause, Logan St. Kingstree, S. C., says: "I used Doan's Kidney Pills and they benefited me more than anything else I ever tried. My back and kidneys caused me a great deal of trouble for years. Headaches and dizzy spells were frequent and I was bothered at all times by irregular passages of the kidney secretions. Doan's Kidney Pills which I procured at Scott's drug store healed me at once and since then I have been in the best of health."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

When you come to town put a copy of The Record in your pocket and consult its business directory—the advertising columns in making your purchases.

Epilepsy, Fits

"My son was cured of a very bad case of epilepsy with Dr. Miles' Nerve." MRS. D. BAKER, Cleveland, O. "My little daughter who was afflicted with St. Vitus' Dance is now entirely well after taking Dr. Miles' Nerve only four months."

MRS. C. G. BENNETT,
Alma, Mich.

Epilepsy, Fits, St. Vitus' Dance and Spasms, are all nervous diseases. They have been cured in so many instances with Dr. Miles' Nerve that it is reasonable to conclude that it is almost sure to cure you. With nervous diseases of a severe type, persistent use has almost invariably resulted in a complete cure or lasting benefits, worth many times the cost of the remedy. The best evidence you can get of its merits is to write to those who have used it. Get a bottle from your druggist. Take it all according to directions, and if it does not benefit he will return your money.
