

VARIETY OF NEWS FROM LAKE CITY.

MR. AND MRS. HUGGINS BEREAVED—CIVIC LEAGUE AND TRUCKERS' ASSOCIATION FORMED.

Lake City, April 4:—The infant twins of Mr and Mrs G C Huggins died last week. The little boy and girl lived only three or four days. In the identically same manner this unfortunate couple have lost seven children.

The walls of Mr Sauls's new hotel are going up right along. One portion of the building has been carried two stories high and the roof put on. The other portion is now being pushed. Mr Sauls says the entire structure will be completed in about three months.

Messrs Cottingham and Finnegan, cashier and assistant, both being shut in by measles, Mr B Wallace Jones, Jr., has charge of the affairs of the Farmers and Merchants Bank for the time being.

"Judge" O S Baldwin went to Kingstree Friday on business.

Mr Kenneth McCutchen is visiting here from Latta. He is at Mr J A Green's.

The ladies of the town are getting up a civic league for the improvement of the physical appearance of the streets, squares, etc. The first meeting was held last Monday afternoon. The idea embodied in the purpose of the league is being received with enthusiastic earnestness. When other towns "get there," just look around and Lake City will be found there, too.

There was quite an enjoyable entertainment at the school auditorium Friday night for the benefit of the Ladies' Civic League. The leading feature was a comedy entitled "A Box of Monkeys." This play kept the audience roaring from beginning to end. The proceeds of the entertainment will be devoted to improving the park at the foot of Main street.

Constable L M Belk last Saturday seized a package containing a liquor branded "160 proof alcohol," and the printed receipt accompanying the stuff stated that the liquor (said to measure one and a half gallons) would make twenty gallons of good whiskey.

Dr J D Whitehead, who moved away from here to Augusta some months ago, has decided that he will undo his mistake, so far as he can. He has returned. Needless to say he is welcome. All who knew him are glad to see him here again and hope he will nevermore entertain the idea of going away.

The census enumerators for this section are: Lake City township, Iide R Truluck; Sumter township, W J Smiley; Lee township, W E Cooke; Lake township, S J Singletary.

E S Oliver, Esq., who has opened a law office in Florence, was noted here one day last week.

The Lake City Truckers' Association has resolved to see what can be done towards securing more reasonable freight and express rates. The truck farmers have grown tired of working for the railroad and express companies and have determined to ascertain whether or not the profits may be divided on a more equitable basis than now obtains. It seems hard to sell a basket of beans and give the carrier more than half the price received for the stuff. The members of the association regard the movement an important one and they are going into the matter in earnest and not as child's play. It means that this section will either become a great truck growing center, or vegetable raising must be carried on elsewhere. The high rates and excessive requirements as to refrigerator loads, have already caused many acres of strawberries to be ploughed up, and present conditions give little encouragement to vegetable growers. Now, however, the critical moment has arrived and either the farmers or the carriers must give in. The carriers may win, corporations are powerful and

they fight every effort to reduce dividends, and fight hard. However, if they win, the goose that lays the golden eggs will probably be killed in the winning. The association has resolved to make a straight fight and a business fight, open, square and legitimate. Proceedings will be instituted right away before the Interstate Commerce Commission, and for that purpose Messrs W L Bass and D M Epps went to Washington Monday night. The first named will represent the association before the commission, and the latter will lend all necessary assistance in preparing the complaint and explaining the rates, etc.

Mr John J Brown of Florence, an honorable and honored member of the "Old Guard," was noted here last week. Mr Brown belongs to the two greatest classes of men this country ever produced—the "old-field school teachers" and the old soldiers of the Confederacy.

EVER HAVE IT?

If You Have, the Statement of This Kingstree Citizen Will Interest You.

Ever have a "low-down" pain in the back?

In the "small," right over the hips?

That's the home of backache. It's caused by sick kidneys. That's why Doan's Kidney Pills cure it.

Kingstree people endorse this. Read a case of it:

Mrs M S Montgomery, Railroad Ave., Kingstree, S. C., says: "I can recommend Doan's Kidney Pills highly in return for the great benefit I have received from their use. I had a lameness across my loins and such severe backaches that I could not turn in bed. Mornings on arising, I was so lame and sore that I could hardly dress myself and it required considerable effort for me to get about. That my kidneys were out of order was shown by the unnatural appearance of the secretions. Doan's Kidney Pills, procured from Scott's drug store, not only banished the backache but restored my kidneys to a normal condition."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.
