NEGRO ROW ENDED FATALLY.

WERE FIGHTING IN CHURCH-YARD--JURY FIXES CRIME ON CAIN GREEN.

Sheriff Graham brought in Cain Green, colored, Monday afternoon and committed him to jail on a charge of murder. The facts of the case as reported to us are that on Friday night of last week, while a negro meeting was in progress at Mt. Zion church, near Cooper postoffice, a crowd of young "bucks" got in a row in the church-yard and in the melee one of the combatants, John Thompson, was struck in the head with a stick and his skull fractured. The other negroes in the fray were Cain Green, Layton Barr, Heyward Wilson, John White, Harry Thompson (a brother of John Thompson) and several more. The injured man died Saturday night and by Monday morning Sheriff Graham had arrested all of the negroes named above except Harry Thompson, the brother of the deceased negro. As soon as Magistrate Wallace, the nearest official available, could get to the scene on Monday, the inquest was held. Dr. E. T. Kelley of Kingstree performed an autopsy and found that death was caused from a fracture of the skull, just above the temple, caused by a blow from a stick or some blunt instrument.

On the testimony of the witnesses the jury of inquest rendered the verdict that the deceased, John Thompson, came to his death by a blow from a stick or blunt instrument at the hands of Cain Green."

Last year 71,000 Americans, mostly farmers from the Northwest, moved into Canada. Many of these men would have come South instead, we are sure, if they had known the possibilities and advantages of the South as a farming section. It would have been good for us, too, to have had them here. Will it not pay us to give a little more attention to the advertising of our resources?—*Raleigh (N.C.) Progressive Farmer and Gazette.*
