**PERSONAL**

Mr Charles A McCrea is spending the week visiting friends in Charleston.

Mrs E T Kelley and Mrs M A Ross visited Charleston the first of the week.

G F Stalvey, Esq. of Lake City, was noted in town yesterday between trains.

Mr T K Smith of Bloomingdale is in town Saturday and called to see us.

Miss Retha Burgess is spending a week's vacation at her home near Mouson.

Miss Blanche Dicker of Petersburg, Va. is visiting Mr and Mrs R J Burgess.

Miss Florence Stubbs of Bennettsville was a visitor at the summer school yesterday.

Miss Augusta R Sherrard of Bayou Sara, La. is visiting the family of Mr Hugh McCutchen.

Mr G W Tart of Carolina Springs, Marlboro county, is visiting at his father's, Mr J J Tart's, near town.

Hon R H Kellahan's many friends are glad to learn that his condition since last week is much improved.

Mr and Mrs B W Butler and children are enjoying the ozone-laden breezes of Wrightsville Beach, N C.

Mr L H Cromer, of the Record mechanical force, has returned from a pleasant visit to his home folk at Clinton.

Miss Mollie Epps returned home Friday of last week from an extended visit among her kindred in Georgia and Florida.

Mrs L J Barr and daughter, Miss Louise, have been visiting relatives at Heath Springs, Lancaster county, since last week.

Miss Eunice Kennedy has returned from a delightful vacation spent in Georgia. She visited Savannah, Macon and Milledgeville.

Mr T E Dukes, of the Mouson section, treated us to a feast of nice peaches last week. We certainly appreciate this act of thoughtful kindness.

Prof S A McJullough, principal of Joyce Branch Graded school, Aiken county, is spending the vacation interval with his father's family at Benson.

Rev W E Hurt, pastor of the Baptist church, will fill the pulpit of the Presbyterian church Sunday morning. Both congregations and strangers are invited.

Mr D C Powell of Chapman called pleasantly to see us last Thursday. Mr Powell said that it was his first trip to Kingstree in seven years and was amazed at the wonderful growth of our town.

Mr Merrick, representing the Commissioner of Internal Revenue at Columbia, was here Tuesday getting after a number of the local merchants for revenue license. We understand that quite a batch of the "Malt Toast" and "near-beer" vendors were required to "cough up."

Dr and Mrs D C Scott have returned from their delightful trip through the New England States and into Canada. They visited Niagara Falls and many places of scenic beauty and historic interest. The trip is one to be recalled with pleasure through a life-time.

Dr W V Brockington left yesterday afternoon for Spartanburg, where he will take passage on the C C & O excursion which leaves Friday morning for Cincinnati, Detroit, the Great Lakes, Buffalo, Niagara Falls and into Canada for some three hundred miles. The trip will consume about 12 days.

Mr Willie Phillips of Zeb, who was struck by lightning a few weeks ago and barely escaped with his life, was in town yesterday and says he feels none the worse for his adventure. In fact, he says that the part of his anatomy forming a link in the circuit of the electric current feels better than the portion unaffected by the shock. He does not recommend the treatment, however, to nervous invalids or valetudinarians generally.

Mr Walter Phillips, who recently went out to Oklahoma to see the country, returned home yesterday. Mr Phillips says that Oklahoma is a great State with wonderful possibilities, but this year the crops are almost a total failure on account of the drought that continued for many weeks. The people there are thrifty and progressive and there is a fine opportunity for a young man to "grow up with the country." Our young friend returns, however, more than ever imbued with the idea that there's no place like old Williamsburg county, South Carolina.
