The Thief

The thief comes prepared—prepared to take your valuables. Carries the necessary tools. One of the tools is the revolver. In plain words, he is prepared to take your life. His deadly intent and expertness make up for his revolver's awkwardness.

You have neither expertness with a revolver nor deadly intent. You cannot afford to stake everything upon a wrist-straining, trigger flinching, slow-as-molasses fire-arm.

Settle this matter today for the sake of your family. Get the Savage automatic. The only gun that points straight, shoots true, fires fast without practice. One trigger pull for each shot. Reloads ten shots in a flash.
