Dillwyn, Va, January 3. To the Farmers of North and South Carolina:-

I have been in the warehouse business at Nichols, S C, for the past 13 years and have never advised my customers to plant too much tobacco; but I believe the outlook is good for good prices this year for good tobacco, and certainly do not think you will make a mistake to plant this

I had rather not sell any than to advise you to plant and not get satisfactory prices. Prices on good tobacco were good the past season, but most of you let country buyers pick out your best curings at home and you put the undesirable grades on the warehouse floor, and my judgment is that you made a mistake by selling that way.

Her Sentiments.

It is related of a clergyman who was the father of a charming and while preparing his Sunday sermon he was suddenly called away from his desk on a mission of mercy. The sentence at which he left off was this: "I never see a young man of splendid physique and the promise of a glorious manhood almost realized but my heart is filled with rapture and delight."

His daughter, happening to enter the study, saw the sermon and read the words. Sitting down, she wrote underneath, "My sentiments, papa, exactly!"
