**HAVE YOU BEEN TO SEE
OUR PLANTERS AND
CULTIVATORS?**

We are more than anxious
that every farmer in this sec-
tion of the county, particu-
larly those that are interest-
ed in growing corn and cot-
ton, should see those remark-
able implements. It means
more money in your pockets.
They are easy to handle and
do the work of from two to
five hands. You can use those
cultivators from start to fin-
ish in cultivating your crop.
Save time and labor enough
to pay for them many times
the first season.

For planting corn or cot-
ton we sell the famous Black
Hawk and Ledbetter single
kernel edge drop which are
known all over the corn
growing region for their ac-
curacy. The drop is always
in sight of the operator and
the seed falls straight to the
ground. In planting cotton
they save one-half the seed
that it usually takes. Our
planters are the only positive
single kernel droppers that
are made and will save the
farmer the price of it in the
first season in the items of
seed thinning and cropping.
We guarantee either of those
planters and you can be the
judge. Make a special trip to
see those implements. It
will pay you. Let us explain
their time, labor and money
saving advantages. Other
farm implements will be
found here. Disc and smooth-
ing harrows, V harrows, Lit-
tle Joe harrows, Cotton King
and one and two horse plows.
The largest stock of plow re-
pairs in the country. Come
and see us.

years.
The neighbor came to the dying

After they had shaken hands and
made peace the dying man ex-
claimed:

ber all this goes for naught."

A Story of Brignoli.
Praise went a long way with
Brignoli. One evening at rehearsal
in New York the orchestra laid
down their instruments as one man
and applauded his singing of a fa-
vorite song long and vigorously. He
was much pleased and, advancing to
the footlights with many a bow and
smile of satisfaction, said:
"Gentlemen, immediately after
the rehearsal there will be a cham-
pagne supper at the Everett House.
I hope I may have the honor to
meet you all there."
It is needless to remark that they
were there, every man of them. The
supper cost Brignoli \$500.

You are probably aware that pneu-
monia always results from a cold, but
you never heard of a cold resulting
in pneumonia when Chamberlain's
Cough Remedy was used. Why take
the risk when this remedy may be
had for a trifle? For sale by all deal-
ers.
