BELETED NEWS BUDGET FROM BENSON BORDERS

COMMUNITY LOSES REVERED CITIZEN -- DRAMATIC EVENT FORECASTED--VISITING FOLK.

(Received too late for last week's issue.)

Benson, March 8:—Mr John Yancey Tisdale of Black river, whose health had been failing for several months, died Monday, March 6, at his old home near Central church. The death of this noble-hearted, loyal son of Williamsburg is a matter of profound sorrow where he is best known and bound by the tenderest associations to numbers by kinship and life-long friendship. "Mr Yancey," as he was familiarly known, was a ruling elder of Central Presbyterian church for a number of years. He was devoted to his church and faithful to the Sunday-school.

Innumerable were his deeds of charity, but being modest as a woman, his contributions to relieve the unfortunate or the sick were made without ostentation.

As a man, Mr Tisdale was the soul of honor and of genial temperament. He lived a quiet life and never married. He was about 72 years of age. His body was quietly laid to rest in the old family ground near his home on Tuesday after his death, and, notwithstanding the inclement weather, a large crowd gathered to pay their beloved friend, neighbor and unseller their last sad tribute.

Emma Walker of Mayesville was at the home of Mrs R D Guerry.

Miss Jane Grayson and her brother, Mr Edwin Grayson, have returned from Umatilla, Fla, where they had gone for a visit. They were accompanied home by Mr John M Grayson, who had resided in Florida for a good many years. He remarked to the writer that his return to Cedar Swamp means that he is here to live—never more to leave until death calls that which is mortal to the grave and the soul takes its flight to the great beyond.

Mr and Mrs David J Snowden returned from their visit to Tampa and other points in Florida to Benson for a few days and left here Monday for Delmar, Del, which place will be their future home.

The Wee Nee cashier of Kingstree was down in these parts last Sunday afternoon enjoying life driving over our excellent roads, being accompanied by a charming school-ma'am of this place. Where his treasure is, there will his presence be also. Look to your laurels, "Josephus."

Mr Bishop Burgess of Kingstree visited in our neighborhood one evening last week between the hours of 7:30 and 11 p. m.

At a very early date the local talent of the community, under the management of Miss Etta Jacobs, will give a play at the school building that is going to make you laugh till you cry. You had better come early, even standing room will be at a premium. W E S.

Do you know that of all the minor ailments colds are by far the most dangerous? It is not the cold itself that you need to fear, but the serious diseases that it often leads to. Most of these are known as germ diseases. Why not take Chamberlain's Cough Remedy and cure your cold while while you can? For sale by all dealers.

Any Such here?

When a school child passes its elders on the streets without the usual show of politeness it's a sign that it needs vermifuge, or worm lozenges. There are numbers of school children whom we meet on their way to school who do not seem that there is such a thing as a "good morning," while there are others who are differently bred and always greet their elders with this mark of respect. We are sure such must be the happier. Ill manners in children reflect the home and the school.—*Manning Times.*

IT'S YOUR KIDNEYS.

Don't Mistake the Cause of Your Troubles.

Many people never suspect their kidneys. If suffering from a lame, weak or aching back they think that it is only a muscular weakness; when urinary trouble sets in they think it will soon correct itself. And so it is with all the other symptoms of kidney disorders. That is just where the danger lies. You must cure these troubles or they may lead to diabetes or Bright's disease. The best remedy to use is Doan's Kidney Pills. It is for all ills which are caused by weak or diseased kidneys. Residents of this vicinity are constantly testifying to benefits received.

C A Ardis, 34 N Liberty St, Sumter, S C, says: "Doan's Kidney Pills acted promptly and effectively in my case. I was subject to attacks of backaches and my kidneys did not do their work as they should. Getting a box of Doan's Kidney Pills, I used them and the results were very satisfactory. I willingly give this remedy the praise it deserves."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease and prescribed local remedies, and by constantly failing to cure it with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F J Cheney & Co, Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address: F J CHENEY & CO, Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.
