

## STUDENTS OF WINTHROP AT WORK AND PLAY.

### FIELD DAY EXERCISES--IMPORTANCE OF COOKING AND ALLIED ARTS TAUGHT.

Winthrop College, Rock Hill, April 17. The annual field day exercises were held here Monday, April 10. The classes took part and with enthusiasm was shown. The thing on the programme was an up-to-date hobble-skirt race. The judges for the various contests were Miss Washburn, Greensboro Normal School; Miss Page, Presbyterian College, Charlotte, and Miss Blake, Johnson City, Tenn. The junior class won the cup.

The play-ground movement has created an ever rising tide of interest.

All the children of the rural schools of York county are invited to spend the day at Winthrop Saturday, April 15; all the expenses will be paid by the people of Rock Hill. A varied series of amusements will be offered in bowling, tennis, basket ball, hockey, base ball, foot-racing, swinging and sea-sawing. Some exercises in declaiming, arithmetic and spelling-matches, also, have been planned.

Mr R C Wyche, president of the American Story Tellers' League, spent several days at the college this week. He lectured Thursday in the auditorium on "The Art of Telling." He told a series of stories and a number of "famous" stories, together with personal recollections of Harris. Friday night he gave another lecture on the story and told other stories of our Norsemen. Much was attached to the art of teaching since it has been the best method of teaching, especially in the low-

14, Miss Macfeat, who is of the kindergarden here, conducted an egg-hunt on the back campus for the children. About a hundred children came to it and joined in with happy Easter spirit.

Several years ago the South Carolina Legislature included cooking in its list of required subjects for the State high schools. Since the elementary course in domestic science, which is taken by all regular normal students at Winthrop college, would not be sufficient for teachers of the subject, the college felt that in justice to the needs of the State it should offer a normal course in domestic science. That course was offered this year and in June two students will be graduated from it with the degree of Bachelor of Science, and several others will probably complete the course next year. This course requires four years of college work, the language and history as required in the normal course with science, and also takes up the subject of household chemistry, home care of sick, the principles of laundering, the study of water supply, the drainage and clearing process, plans for building, nishing and furnishing a house, etc, with the planning of meals for children, for women, for family, etc, with estimation of cost and a course in methods and materials needed in teaching the subject.

The students have been making an especial study in adapting the equipment to the needs of the town and country schools, and have selected a portable equipment which could be carried by the teacher from one to another of the rural schools in any vicinity. This equipment costs about twenty-five dollars and may be seen at the college.

There are few who do not appreciate the need of knowing more about the best choice and preparation of food, and now that which educators, as ex-President Eliot of Harvard and practically all of the present students and writers in psy-

chology and pedagogy, are urging is its educational value. The schools are rapidly introducing it and Winthrop hopes to be of aid the State school in this line. E G H.

When a medicine must be given to young children it should be pleasant to take. Chamberlain's Cough Remedy is made from loaf sugar, and the roots used in its preparation give it a flavor similar to maple syrup, making it pleasant to take. It has no superior for colds, croup and whooping cough. For sale by all dealers.

### EASTER AT ANDREWS.

#### Interesting Exercises by School Children--Blind Tigers Rampant.

Andrews, April 17:--The children of Andrews had a most enjoyable Easter egg hunt last Saturday afternoon at the home of Mr and Mrs W S Camlin on Main street. Misses Gussie and Ossie Camlin were the hostesses of the occasion. Come again, children, the writer certainly enjoyed your gleeful games.

The pupils of Andrews Graded school celebrated Easter at the school auditorium Sunday night. The sweet songs and speeches were delightfully rendered. The following programme was carried out:

Opening Song, "Christ Arose," the School.

Prayer by pastor, Mr Bowden.

Exercise--Six Little Girls, Meta Isokriet, Gladys Avant, Lena Higby, Wanda Isokriet, Anna Swails and Betty Ballenberger.

Song, "Seek the Light" - Children Duet, "The Beautiful Story," Beulah Rogers and Emma Richardson.

Exercise, "What We Would Tell," Lilla Bee Hughes, Ruth Avant, Carrie Rodgers and Retha Swails.

Song, "Easter" - The Children. Pantomime, "Nearer, My God, to Thee," Miss Louise Coker.

Song, "Easter Bells," - The Choir.

Exercise, "When Easter Skies Look Down," Gussie Camlin and Emma Richardson.

Address, Prof H C Ritter.

Duet, "Conquering Tread," Gussie Camlin and Carrie Higby.

Tableau, "Simply to Thy Cross I Cling," Miss Annie Blakeley.

Song, "Calvary," - The Choir.

Address, Superintendent D W Avant.

Collection.

Closing Song, "Jesus Lives," the Choir.

The church was tastefully decorated and all who attended the exercises were well pleased.

A disastrous hail and wind storm swept over the Big Dam Swamp section last Saturday afternoon and caused considerable damage to crops and gardens.

Some of our farmers are complaining that they cannot control the hands on their plantations because of the whisky retailers selling liquor to them and keeping them drunk.

What a crying shame that under our prohibition law whisky is peddled over the community like books.

Prohibition without some one charged with the enforcement of the law is a farce of the deepest dye.

### THE TEST OF MERIT.

#### Kingstree People Are Given Convincing Proof.

No better test of any article can be made than the test of time and this is particularly true of a kidney medicine. Doan's Kidney Pills have stood this test and stood it well. What better proof of the merits of this remedy could you demand than the statement of a Kingstree resident who has been cured and has stayed cured?

Read the following: Mrs P D Epps, Kelley St, Kingstree, S C, says: "I have no hesitation in recommending Doan's Kidney Pills, for I know from experience that they act just as represented. Two years ago I suffered from an attack of kidney complaint and I had a lame and aching back. At that time I used Doan's Kidney Pills and they so completely relieved me that I have not felt the need of a kidney medicine since. I cheerfully recommend this preparation in return for what it has done for me."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name--Doan's--and take no other.

# Announcement

Our opening is in full swing. We are prepared for this season with the latest things in Millinery and a competent Northern Trimmer. One visit to the store with a reputation will convince you.

Miss S. Hughes.

### AN HONEST DEBT

#### Between Gentlemen Never Settled by Statute of Limitations.

An honest debt is never settled until it is settled justly and the honest man will never be satisfied until he has made a just settlement. In these days when there are so many rascals the following story should be given the widest possible publicity:

"A well known Kansas banker told a story the other day about the statute of limitations. There is a smile in it, plus some good philosophy. One day an old Southerner walked into this banker's office. The Southerner was a typical gentleman of the old school, suave, courteous to the point of punctiliousness and honorable to a degree of martyrdom.

"What can I do for you?" asked the banker.

"Well," replied the Southerner, "about thirty-five years ago I loaned a man down South some money--not a very big sum. I told him that whenever I should need it I would let him know and he could pay me the money. I need some money now, so I shall let him know and I would like to have you transact the business for me."

"My good friend," replied the banker, "you have no claim on that money. You can't hold that man to that loan. You say it has been thirty-five years since you loaned it to him? The statute of limitations has run against that loan years and years ago."

"Sir," replied the Southerner, "the man to whom I loaned that money is a gentleman. The statute of limitations never runs against a gentleman."

So the banker sent for the money. And within a reasonable time thereafter the money came. There was a courtly gentleman at the other end of the transaction also.

### \$100 Reward, \$100.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh, being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address F J CHENEY & CO, Toledo, O. Sold by Druggists, 75c. Take Hall's Family Pills for constipation.

### Never Out of Work.

The busiest little things ever made are Dr King's New Life Pills. Every pill is a sugar-coated globule of health, that changes weakness into strength, languor into energy, brain-fag into mental power; curing Constipation, Headache, Chills, Dyspepsia, Malaria. Only 25c at M L Allen's

### Dr. King's New Life Pills The best in the world.
