

# THE FINANCIAL AFFAIRS OF CLEMSON COLLEGE

AS SHOWN BY THE REPORT OF PRESIDENT RIGGS TO THE WAYS AND MEANS COMMITTEE OF THE HOUSE OF REPRESENTATIVES OF SOUTH CAROLINA.

Don McQueen, who as a member of the ways and means committee of the House of Representatives recently inspected the work of Clemson College, has given the Advocate a copy of the report of President Riggs to this committee. It is too long to publish in full, but the following extract shows the income and expenses of the college:

APPROXIMATE FINANCIAL STATEMENT, 1910-11.

(An exact statement cannot be made until the close of the fiscal year June 30, 1911).

**PROBABLE INCOME.**

From fertilizer inspection tax (estimated)	\$260,000 00
tuition	3,200 00
Morrill and Nelson funds	22,500 00
landscript fund	5,754 00
interest on Clemson bequest	3,512 36
rents, sales, etc. (estimated)	5,033 64

Miscellaneous	1,176 54

92,101 45\*\*

23,533 45\*\*\*

Total \$353,974 20  
(The appropriation for public works exceeds expenditure of last year \$26,643.50).

\*\*\*Necessary to operate until inspection tax comes in about January 1, 1912.

NOTE—The South Carolina experiment station is not included in the above, being supported entirely by Federal funds, that can be used only for specified lines of agricultural experimental work.

**CONDENSED SUMMARY.**

(Showing what is absolutely necessary to operate the college on the basis of this year's income and expenditure).

**ESTIMATED INCOME.**

Income from fertilizer tax	\$260,000 00
" " all other sources	40,000 00
Total	\$300,000 00

**EXPENDITURES.**

Present operating expenses of college	\$163,627 78
cost of public service required by law	69,665 33
" " other public service	22,436 12
Total	\$255,729 23
Leaving for buildings and growth	44,270 77
	\$300,000 00

NOTE—It will be seen from the above that if the college is to continue operations and growth, a curtailment of its income is not practicable. At least \$35,000 per year for buildings will be necessary for the next five years in order to complete the college equipment. A gymnasium, Y M C A building, hospital, library, at least ten additional residences and several barns are necessary to complete the college plant.

It is the policy of the president and trustees to put all money that can be spared from the operation and building of the college into public service work.—Pee Dee Advocate.

**There is No Death.**

There is no death. The stars go down. To rise upon some fairer shore, And bright in Heaven's jewel crown They shine forever more.

There is no death. The dust we tread Shall change beneath the summer showers

To golden grain or mellow fruit, Or rainbow-tinted flowers.

The granite rocks disorganize To feed the hungry moss they bear, The forest leaves drink daily life From out the viewless air.

There is no death. The leaves may fall, The flowers may fade and pass away; They only wait through wintry hours For coming of the May.

There is no death. An angel form Walks o'er the earth with silent tread; He bears our best loved things away, And then we call them "Dead."

He plucks our fairest, sweetest flowers; Transplanted into bliss, they now Adorn immortal bowers.

Born into that undying life, They leave us but to come again; With joy we welcome them the same, Except in sin and pain.

And ever near us, though unseen, The dear immortal spirits tread. For all the boundless universe Is life—there are no dead.

—Alfred, Lord Tennyson.

A change in tenors had been made in the church choir. Eight-year-old Jessie, returning from the morning service, was anxious to tell the news. "O, mother," she exclaimed, "we have a new terror in the choir!"—Round Table.

**Mouzon Matters.**

Mouzon, June 25:—Farmers around Mouzon are wearing a more pleasant smile since the drought has been broken. We had nice rains Tuesday and again Friday and there is great improvement in crops.

Mr and Mrs T E Frierson of Boynton, Florida, are visiting the former's parents. They expect to remain in South Carolina all the summer.

A game of ball played Saturday afternoon between Workman and Mouzon teams resulted in a score of 11 to 1 in favor of the former.

Black river is very low up here, but there don't seem to be as many fishermen now as there were some time ago. It may be that they have taken all the fish out.

FARMER.

"Won't you take my seat?" said the man in the street car as he lifted his hat to the pretty girl. "No, thank you," she replied; "I've been skating all the afternoon, and I'm tired of sitting down."—Puck.

Receipt Books, Blank Notes, Mortgages and all Legal Blanks in demand, for sale at The Record office. If we have not the form you wish we can print it on short notice.

**DIRE DISTRESS.**

It Is Near at Hand to Hundreds of Kingstree Readers.

Don't neglect an aching back. Backache is the kidneys' cry for help.

Neglect hurrying to their aid Means that urinary troubles follow quickly.

Dire distress, diabetes, Bright's disease.

Profit by a sufferer's experience. H P Lane, Marion, S C, says: "For more than a year I suffered from backache and sharp pains through my loins. In the morning on first arising, I was so lame and stiff that I could scarcely get around and some days I was unable to work. My kidneys were sluggish and the secretions very unnatural. I heard so much about Doan's Kidney Pills that I concluded to give them a trial and procured a box. After brief use I felt better than I had for years. My back became stronger, the lameness and soreness disappeared and the kidney secretions were regular in passage. You may use my testimonial if it will prove of benefit to any other person suffering from kidney trouble."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

**COMPOUND CALLOUSES**  
Tells Splendid Cure for Them and All Foot Troubles.

A compound callous is the secondary stage when it grows inward and presses on the nerves, causing intense pain. Callouses never cure themselves but always get worse, sometimes irritating the whole nervous system. The following is a most effective and speedy cure "Dissolve two table-spoonfuls of Calocide in a basin of hot water. Soak the feet in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give the desired results.) The soreness will disappear immediately and the callous can be easily peeled off. Repeat this for several nights. A little olive oil rubbed into skin is very beneficial."

This Calocide is a very remarkable preparation for all foot ailments. Bunions, corns and ingrowing nails get instant relief and are soon cured. Bad smelling and sore feet need but a few treatments. Calocide is no longer confined to doctors' use. Any drugist has it in stock or will quickly get it from his wholesale house. A twenty-five cent package is usually enough to put the worst feet in fine condition. It will prove a blessing to persons who have been vainly trying ineffectual tablets and foot powders.

dreads that most dangerous disease, Colic. Be prepared for an emergency by having a bottle of Noah's Colic Remedy on hand. More animals die from Colic than all other non-contagious diseases combined. Nine out of every ten cases would have been cured if Noah's Colic Remedy had been given in time. It isn't a drench or dope, but a remedy given on the tongue, so simple that a woman or child can give it. If it fails to cure, your money will be refunded. If your dealer cannot supply you send 50c in stamps and we will mail a bottle. Noah Remedy Co., Inc., Richmond, Va.

**A NURSERY**

Is one of the easiest rooms to make pretty, and one of the most important.

The dainty whiteness makes for that cleanliness which is the first and greatest requisite for a baby's health. Besides, prettiness is the only fit surrounding for any child.

You need a chiffonier and bureau in white enamel (perhaps we can show you how to do over your present pieces) a good brass or iron crib with sides high enough to keep baby from falling, a rocking chair, straight back chair and small table, also in white. These with a pretty rug, dainty wall paper, and muslin curtains, complete the room.

Be careful to get a STEARNS & FOSTER mattress, for it is the best. To a child, good sleep means good health, a sturdy body, a fresh, retentive mind. Even nervousness is often due to lack of really sound sleep. Get a STEARNS & FOSTER for the crib to-day. If after 60 nights' trial you are not entirely satisfied, we will give you your money back without a word.—\$3.45 to \$11.25.
