Reasons Why
THE GREAT MAJESTIC
 You Should Buy

- 1st. It has the reputation of being the BEST range money can buy.
 - 2d. It not only has the reputation but IS the best range made, and we will prove this to you if you will let us.
 - 3d. It is constructed of malleable iron material you can't beat, and of Charcoal iron, material that resists rust 300 per cent. greater than steel, is riveted together air tight. No heat escapes or cold air enters the range, thus uses very little fuel to do perfect work.
 - 4th. The reservoir alone is worth the price of range over any other reservoir made. It boils 15 gallons of water; is heated like a tea kettle, with pocket against left hand lining, and is movable and sets on a frame, hence cannot wear out. When water gets too hot it can be moved away from fire.
- Majestic ranges use less fuel; heat more water—and heat it hotter; costs practically nothing for repairs; lasts three times as long; bakes better; easier to keep clean and gives better satisfaction than any other range on the market. If you know positively that the above statements are true, wouldn't you buy a Majestic at once?
- Come in Demonstration Week and We'll Prove It to You.

Why not give us a chance to figure on your job printing? We have good printers and one of the best equipped offices in the State, and we guarantee satisfaction, or no charge. We do not send out solicitors, because we have none to send; but we do give you the benefit of what we save by not sending out agents. It stands to reason that if we pay agents 25% commission, the customer has it added to his bill. Out of town orders for \$5.00 and over delivered free.

Forced to Leave Home.

Every year a large number of poor sufferers whose lungs are sore and racked with coughs are urged to go to another climate. But this is costly and not always sure. There's a better way. Let Dr King's New Discovery cure you at home. "It cured me of lung trouble," writes W R Nelson of Calamine, Ark. "when all else failed and I gained 47 pounds in weight. It's surely the king of all cough and lung cures." Thousands owe their lives and health to it. It's positively guaranteed for Coughs, Colds, LaGrippe, Asthma, Croup, all Throat and Lung troubles. 50c and \$1.00. Trial bottle free at M L Allen's

Foiled
 The last time I was in New York I entertained at dinner at a swell cafe a country cousin from Leavenworth.
