**AFFAIRS AT ANDREWS.**

**Building Going On--Items of Local Interest--Personal Mention.**

Andrews, October 30:--In the face of the low price of cotton you can hear the ring of the carpenter's hammer and the bricklayer's trowel in our little town. There are two nice buildings being erected on Main street, running east and west of town. Mr. John White, we are informed, is the promoter of this improvement.

Mr. Sam Wilson, formerly the mail carrier between Andrews and Rhems postoffice, is very ill in West Andrews. Mr. Wilson moved to this part of town about a month ago, being sick at that time, and his malady gradually grew worse. All sympathize with him in his affliction.

Quite a number of ladies from this part of town visited Georgetown one day this week for the purpose of shopping, viz: Mrs. J. A. Alsbrooks, Mrs. D. O. Bruerton, Misses Jimmie Thompson and Mamie Pipkin.

The horse of the mail driver on the Trio R F D route became frightened on Mr. Register's trip one day last week and damaged his buggy top to quite an extent, the writer has been informed by one of the patrons of this mail route.

Our popular county Treasurer and his assistant, young Mr. Montgomery, were in our midst last Saturday. We are always glad to see Mr. Cook, as he is near his old home when he strikes our part of the county.

Mr. Eugene Graham, who was suddenly called home on account of the death of his father, Hon. John S. Graham, returned to his studies at the Charleston Medical College one day last week. In a short time Mr. Graham will graduate as a physician and we wish him success in his studies and his career as a medical practitioner.

**Have You Seen This Comet?**

A comet is said to be visible every morning from five o'clock to daylight in the east. It has been visible for two months or longer. At first it appeared in the northern heavens in the evening not far from the end star in the tail of the Great Bear. About the first of October it was so near the horizon it could not be seen, but it soon appeared in the east about four o'clock in the morning. It will grow dimmer, and early in November it will disappear from our vision.

**A Card.**

Editor County Record:-- In the "Final Presentment" of the grand jury published in your issue of October 19 it is stated that a shortage of \$25.00 is found in the books of V. G. Arnette, Magistrate. This is entirely without foundation, as you will observe from the following statement signed by the County Commissioners, and I am very much surprised that such a statement should have been made by the grand jury:

"We, the County Commissioners of Williamsburg county, having checked up the criminal docket of V. G. Arnette, Magistrate, with the Treasurer's books, find that he collected in fines prior to September 30 the sum of twenty-five dollars and that the same has been paid in to the Treasurer."

 Yours very truly,  
 V. GLENN ARNETTE,  
 Cades, October 31.

There is little danger from a cold or from an attack of the grip except when followed by pneumonia, and this never happens when Chamberlain's Cough Remedy is used. This remedy has won its great reputation and extensive sale by its remarkable cures of colds and grip and can be relied upon with implicit confidence. For sale by all dealers.

Selling the farm and moving into town to join the store-club is a good deal like trading off the best cow for a yellow dog. Don't do it, brother, as long as you can plow a straight furrow.

The other day we saw a lady going up South Academy street stopped by a bull standing near the side walk, not even tied or hitched. The lady had to wait there until some one came to her rescue and drove the animal away. And yet, we are told, there is some sort of town ordinance against turning live-stock loose in the streets. If the law is not going to be enforced, better repeal it and let everybody enjoy the same privilege.

**Hot Supper at Cades.**

The ladies of Cades will serve barbecue, ice cream and cake at the Cades school building Friday night, November 10, for benefit of school. All are invited to attend. 11-2-2t

Don't wait for success to come in your yard. Grab it by the collar and yank it inside the gate.

"I am pleased to recommend Chamberlain's Cough Remedy as the best thing I know of and the safest remedy for coughs, colds and bronchial troubles," writes Mrs. L. B. Arnold of Denver, Colo. "We have used it repeatedly and it has never failed to give relief." For sale by all dealers.

Only the wealthy man can afford to keep a poor cow.

**Why Suffer From Eczema?**

**A Georgia Man Tells His Experience.**

I was afflicted with a very bad case of Eczema for twenty-five years, which was in my feet, legs and hips. Through all this time I tried different remedies and Doctors' prescriptions, obtaining no relief until I used your HUNT'S CURE.

One box (50c) cured me entirely, and though two years have elapsed I have had no return of the trouble.

Naturally I regard it as the greatest remedy in the world. Yours,

**Spiritism Said to Be Demoniac.**  
 A most interesting little brochure has recently come off the press setting forth with Bible proofs that the communications received by and through Spiritist Mediums is of Demon origin. The writer traces his subject through the Scriptures from the time when certain of the holy angels became disobedient. He proves from the Scriptures that these fallen spirits personate the human dead, with whose past history, spirits, though invisible, are thoroughly acquainted. He shows that they also frequently personate the Creator and the Redeemer, commanding their deceived ones to pray, do penance, etc. This, however, is merely to lead them on and to bring them more thoroughly under demoniacal control. Sometimes by breaking down the natural barrier, the human will, they possess their victim, and rule him more or less to his ruin--frequently sending such to the mad-house. Numerous illustrations, Scriptural and otherwise, are given. The price of the little book is but ten cents; it should be in the hands of all interested in Spiritism or who have friends interested therein. Enclose five two-cent stamps to the Bible and Tract Society, 37 Halsey street, Brooklyn, N. Y.
