#### SCHOOLS RECEIVE STATE AID.

More Than \$1,000 Distributed Among Thirteen Schools.

Editor County Record:--

The following are all the schools for which I have been able to get State aid this fall. Some have failed because they had not opened in time for me to get necessary data for application; some because the teachers had not registered their certificates. I expect several more to qualify for aid after the Legislature makes the usual appropriation in February.

#### Negro Secret Orders.

On account of the multiplicity of negro secret societies and the criticism arising therefrom, the following clipping from the Charleston Messenger, a newspaper published by and for the colored people, is timely and appropriate:

There is an opinion prevailing in the State on the part of the white man to do away with negro societies, for what reason we are unable to say. It is quite certain that the greatest harm in these societies is done to the negro himself in fighting and stealing from each other. The white man need never be afraid that the negro is plotting against him. The negroes are too far apart in the innermost parts of their hearts to unite and plot against any other race. The negroes who conduct secret societies have more faith and confidence in an ordinary white man than in all the negroes that compose the societies put together.

Our advice to the negro is: Drop

secret societies and all other societies and go into the church. The Church of God is the only thing that can protect the negro. It is also the only solution to the problem between the black and white races of this country. There is but one Leader in the church and He is the Leader of both races. The Bible is His law and God is the Judge who made all men of one blood.

Kingstree women should profit by the following experience.  
Mrs F J Whitton, 105 E Darlington St, Florence, S. C, says: "I have no hesitation in recommending Doan's Kidney Pills, for they have benefited me greatly. For a long time I suffered constantly from dull, nagging backaches and pains through my kidneys and often I was hardly able to get around to attend to my housework. About two months ago I got a supply of Doan's Kidney Pills and used them as directed. They relieved my aches and pains and made me feel stronger and better in every way."

#### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, Deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
