

MIR CAMLIN ON TAXES.

How They Should be Distributed Among Schools.

Editor County Record:

Your scribe would like to have the views of some of the readers of the County Record as to cutting the money in twain that is allowed Clemson college and some of the other higher institutions of learning in our State.

If half of the large appropriations that are made annually to those State colleges and the guano tax that goes to Clemson were evenly divided with our common schools, in less than five years you would not find a child fifteen years old that could not write his or her name.

I don't want to be put down as opposing higher institutions of learning in our State, but I am opposed to having our common schools crippled and our poor children raised in utter ignorance to uphold colleges and educate only the children whose parents are fully able to educate them independent of the State or its aid.

Give 20% of the guano tax with a liberal appropriation from the State to the worthy Confederate soldiers and widows of South Carolina. Make the same sufficient to give every worthy old soldier or widow at least \$50 to \$100 per year, according to his or her condition.

We should take care of our old and those who once took care of us and see to it that our rising generation are educated, both rich and poor.

by the State Board have kept many children from school, not being able to provide themselves with the proper books. The cost of books is nearly as heavy as the tuition used to be in days gone by.

Respectfully, W S CAMLIN. Andrews, July 8.

Farmers' Union Meetings.

Editor County Record:

You will please publish the following appointments:

- Trio, July 15, 11 a. m., A W Graham. Harmony, July 15, 8:30 p. m., L A Parson. Piney Forest, July 16, 11 a. m., G W Taylor. Cedar Swamp, July 16, 8:30 p. m., S Y Tisdale.

Those whose names appear in these appointments will please look out for the meetings and see that the speakers are conveyed from one point to another, and let us try to awaken the union spirit in old Williamsburg once more, for if there ever was a time that farmers needed organization now is the time.

Respectfully, J T FRIERSON, Sec W C F U. Mouzons, July 6.

ACKNOWLEDGE IT.

Kingstree Has to Bow to the Inevitable - Scores of Endorsements Prove It.

After reading the public statement of this fellow-sufferer given below, you must come to this conclusion: A remedy which cured years ago, which has kept the kidneys in good health since, can be relied upon to perform the same work in other cases.

Mrs T C Matthews, 1502 Front St, Georgetown, S Car, says: "For a long time I was afflicted with kidney and bladder trouble. I rested poorly and I grew weak and lame. I noticed that the kidney secretions were unnatural and accordingly doctored for kidney complaint, but nothing helped me until I used Doan's Kidney Pills.

A WILLING CORROBORATION. On January 13, 1911, Mrs Matthews said: "You may continue to use my endorsement of Doan's Kidney Pills, as I feel that I cannot say too much in their praise.

Remember the name—Doan's—and take no other.

Urgent to Corn Club Boys.

To the members of the Boys' Corn Club of Williamsburg county: Dear Boys:

The Farmers' Institute for the county will take place at Kingstree on July 18, and I am asked to urge you to attend this meeting.

I sincerely hope you all have the very best of corn, and are keeping a complete record of the crop, so you can write a good story of "How I made my corn," when the time comes.

With best wishes, Yours sincerely, J. G. McCULLOUGH, Supt of Education

If you are a housewife you cannot reasonably hope to be healthy or beautiful by washing dishes, sweeping and doing housework all day, and crawling into bed dead tired at night.

It seems that the Prohibition party has learned to operate the steam roller.

You Can Always Tell a Cheap Piano By the Method Used In Selling It

Pianos sold by agents begging to place them in your home on trial or to save storage or forcing them in your home without your consent.

"Coupon Schemes," "Guessing Schemes," "Club Schemes," "Special Sale Schemes," "Special Introductory Sale Schemes," etc, are fake methods, pure and simple, for unloading cheap pianos on people who don't realize the difference between a fine piano and a cheap one, and don't know that high pianos are not sold through fake schemes.
