## Sore Throat and Chest.

I am so enthusiastic concerning the virtues of

that I always keep a bottle of it in the house, and to my particular friends I give a bottle unless they live so near that I can pour out from my own supply to tide them over any trouble. I use this liniment for colds, rubbing it on my throat and chest as a counter irritant.

## CHILDREN NEED EXTRA CARE IN HOT WEATHER.

Summer Heat Dangerous to Little ones if Bowels Are Neglected.

The mother cannot do better for her children than to train them, from infancy, to regularity of the bowels. Chronic constipation in later life can be avoided if the child learns early the need for a daily evacuation of the poisonous stomach waste.

There will, of course, be times when the little one will become constipated and bilious. In hot weather, especially, immediate attention is necessary, as much serious illness results from inactive bowels. Salts, cathartics, purgatives and similar drastic irritants are harsh and violent and only bring temporary relief while disturbing the whole system. A gentle, pleasant bowel stimulant like Dr. Caldwell's Syrup Pepsin is far preferable. Syrup Pepsin contains no narcotic drug, being composed of simple laxative herbs combined with pepsin, and acts gently, in a natural manner, on stomach, bowels and liver. By thoroughly cleansing the bowels and removing the foreign matter that irritates and inflames the tissue, it will quickly check the summer diarrhoea that is so weakening in its effect.

Druggists sell Dr. Caldwell's Syrup Pepsin for fifty cents and one dollar a bottle, the larger size being intended for family use. A free trial bottle, postpaid, can be obtained by writing to Dr. W. B. Caldwell, 406 Washington St., Monticello, Ill.

### Huge Casket.

The largest casket ever made in this city has just been finished for Mary Harris, a negress, who died Monday, says a dispatch from Nashville, Tenn. The corpse weighs 600 pounds and the coffin is six feet three inches in height and 36 inches in width. No hearse can be found large enough to convey the body to the cemetery.

### WHAT'S THE REASON?

Many Kingstree People in Poor Health without Knowing the Cause.

There are scores of people who drag out a miserable existence without realizing the cause of their sufferings. Day after day they are racked with headache and headache; suffer from nervousness, dizziness, weakness, languor and depression. Likely the kidneys have fallen behind in their work of filtering the blood and that is the cause of the trouble. Look to your kidneys, assist them in their work--give them the help they need. You can use no better remedy than Doan's Kidney Pills.

Below is grateful testimony from a sufferer in this locality.

Mrs. R. K. Brown, 204 W. Liberty St., Sumter, S. C., says: "For over a year I was greatly annoyed by kidney and bladder trouble and nothing brought me relief until I used Doan's Kidney Pills. They were so beneficial in every way that I have no hesitation whatever in recommending them."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name--Doan's--and take no other.

It is well to remember that good, wholesome food comes back in firm flesh, pink cheeks and good spirits, three worthwhile assets in anyone's life.

### The Choice of a Husband

is too important a matter for a woman to be handicapped by weakness, bad blood or foul breath. Avoid these kill-hopes by taking Dr. King's New Life Pills. New strength, fine complexion, pure breath, cheerful spirits--things that win men--follow their use. Easy, safe, sure, 25c at M. L. Allen's.

### Woman and Her Hosiery.

Preachers and moralists upon feminine garmenting have shifted their theme from the skirt to the hosiery. It appears some girls wear hose too thin and some too short. It is even said that certain daring ones have betaken themselves to the use of men's half-hose and disport a style that is both thin and short. All of which proves not that preachers and moralists are foolish but that girls are wise. If instead of berating woman's skill and courage in adapting her gowning to the conditions of the weather the censors of society would devote their energies to devising equally pleasing and comfortable modes for men, the world would be happier as well as handsomer. One reason why men so often rail at woman's folly is that they haven't brains enough to understand woman's wisdom. At any rate, there is no apparent justification for the present exhortations on hosiery. We may be sure if it were not suitable it would not be worn, and if it were not lovely it would not be displayed. --New York World.

### Mail Carriers Will Fly.

This is an age of great discoveries. Progress rides on the air. Soon we may see Uncle Sam's mail carriers flying in all directions, transporting mail. People take a wonderful interest in a discovery that benefits them. That's why Dr. King's New Discovery for Coughs, Colds and other throat and lung diseases is the most popular medicine in America. "It cured me of a dreadful cough," writes Mrs. J. F. Davis, Stickney Corner, Me., "after doctor's treatment and all other remedies had failed." For coughs, colds or any bronchial affection it's unequalled. Price 50c and \$1.00. Trial bottle free at M. L. Allen's.
