

# No Steam Roller Here

We have never made a practice of putting on special sales and running the "Steam Roller" over our prices. We don't have to. We only buy such goods as are reasonable and dependable, and if we find that we have more of any certain lines than we need we quietly put them on our bargain counter and give our customers the opportunity to buy them at just what we paid for them. This is better than carrying them over to the next season.

We have a lot of dainty lawns, beautiful linens, laces and embroideries which we have consigned to our bargain counter for immediate sale at actual cost. Pumps, slippers and footwear of all kinds for ladies. A complete line of up-to-date gents' shoes and furnishings.

### A ROUND OF PLEASURE

#### Morrisville the Center of Many Enjoyable Occasions.

Morrisville, July 30:—One of the most enjoyable occasions of the season was the house party given by the Misses Brockinton and Munnerlyn in honor of their friends, Misses Mae Bradham, Ruth and Lila Byrd of Bamberg.

The first week of the occasion was spent with Miss Daisy Bell Munnerlyn at Choppee. The party consisted of seven girls and seven boys, while others were constantly coming in and going. Such sports as horse-back riding, tennis and automobilism were very much enjoyed by all.

On Tuesday night Miss Munnerlyn entertained in honor of her guests. Dainty refreshments were served. A large number of friends were present and enjoyed the occasion.

At the close of a pleasant week the party was accompanied by the Misses Brockinton to their home at Morrisville in an auto. While there, Mrs F Rhem entertained at a six o'clock dinner, which was tastefully served in courses.

On Monday afternoon the Misses Brockinton entertained at cards and served an ice cream course, with a choice selection of cakes. On the following Tuesday a launch party was given at Georgetown in the afternoon, and that night a party or dance was given by Mr Laurice Rhem in honor of the guests, which was enjoyed very much by all. The remainder of the night was spent at the Tourist hotel.

Wednesday morning the party were met at the wharf by Mr J W Skinner, brother-in-law to the Misses Brockinton, in his gasoline launch. After a very pleasant ride of two hours the party were landed at Pawley's Island, where they had a "swimming, good time".

A new programme was arranged for each day, such as surf bathing, fishing, striking, oyster roast, etc.

Mrs Skinner never tired in her charming manner of giving her guests a good time; the entire house was turned over for their pleasure.

After a pleasant week spent on the island the party returned to Mr B O Brockinton's home. On the following Monday the party were taken in an automobile to Kingstree, where they met quite a number of their friends and the day was spent very pleasantly.

On Wednesday the party was broken up and the Misses Brockinton took their guests in an automobile to Andrews, where they took the train for their homes at Bamberg.

Tobacco was planted at Andrews for the first time by Messrs James and Payne. We don't think that the weed could be better. Their fields are beautiful.

### Deafness Cannot Be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.  
We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.
