J C HOLLY ACQUITTED.

Freed of Murder Charge After Being Sentenced to Death.

Wilmington, N C, September 27:— After having once been convicted and sentenced to be electrocuted, J C Holly, a well known white man of this section, was acquitted by a jury in Pender county of murder. It was charged that Holly poisoned a young man, Edward Cromwell, and then set fire to his own hotel in this city to cremate the body and hide all evidence of his crime. He was tried and convicted, but a new trial was granted. The second trial ended in a mistrial, and the State, fearing it could not get a fair trial here, had the case removed to Pender county, where the defense secured a verdict of not guilty. Holly is still charged with arson, a capital crime in North Carolina, and was remanded to jail without bail, the court ordering him placed on trial here in December. Holly was at one time a Holiness preacher.

New Stamps for Parcels Post.

Arrangements have been made by Postmaster General Hitchcock for engraving and manufacturing a series of 12 stamps, unique in size and novel in design, for executive use in forwarding packages by the new parcels post. Under the law recently enacted by the Congress ordinary stamps cannot be used for this purpose.

The new issue will be in three series of designs. The first will illus-

trate modern methods of transporting mail; the second series will show at work in their several environments the four great classes of postal employes, postoffice clerks, railway mail clerks, city letter carriers and rural delivery carriers.

The third series will represent industrial scenes.

The stamps will be ready for distribution December 1 in order that the 60,000 postoffices may be supplied with them before the law becomes effective January 1.

Saved by His Wife.

She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs R J Flint, Braintree, Vt, is of that kind. "She insisted on my using Dr King's New Discovery," writes Mr F, "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me." A quick cure for coughs and colds, it's the most safe and reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping cough, quinsy, tonsillitis, hemorrhages. A trial will convince you. 50 cts and \$1.00. Guaranteed by M L Allen.

A man in New York who stood on a street corner and distributed his savings of \$500 to an eager mob was arrested on suspicion of suffering from mental weakness. That he is nutty will admit of no successful contradiction.—*Charleston Post.*
