Does Your Baby Suffer From Skin Disease?

He would be a heartless father indeed who did not allay baby's sufferings as did Mr E M Bogan of Enterprise, Miss. He says: "My baby was troubled with breaking out, something like seven-year itch. We used all ordinary remedies, but nothing seemed to do any good until I tried HUNT'S CURE and in a few days all symptoms disappeared and now baby is enjoying the best of health." Price 50c per box.

A Nervous Woman Finds Relief After Many Years

Women who suffer from extreme nervousness, often endure much suffering before finding any relief. Mrs. Daniel Kintner, of Delancey, O., had such an experience, regarding which she says:

"I had stomach trouble when I was eighteen years old that broke down my health, and for years I suffered with nervousness, headache, indigestion and nervous spasms. The spasms got so bad I would have them three or four times a week. After trying nearly every remedy recommended, I began taking Dr. Miles' Nervine, and I must say it helped me wonderfully. I have had no severe nervousness for several years."

MRS. DAN KINTNER,
1002 Pleasant St., Delancey, O.

Many remedies are recommended for diseases of the nervous system that fail to produce results because they do not reach the seat of the trouble. Dr. Miles' Nervine has proven its value in such cases so many times that it is unnecessary to make claims for it. You can prove its merits for yourself by getting a bottle of your druggist, who will return the price if you receive no benefit.

After the Election.

After he got into office he said the weather was so cold he had to keep the door closed, and when he heard the voters knocking he said to himself, as he poked the fire: "It's the winter wind that rattles the door and shakes the shutters. No voter would be out in such bleak weather! I saved the country during the campaign, but there isn't room enough for it in here; there's too much of it to warm by my fire." Whereupon he mixed a soothing toddy and drank the country's health.

Saved by His Wife.

She's a wise woman who knows just what to do when her husband's life is in danger, but Mrs R J Flint, Braintree, Vt, is of that kind. "She insisted on my using Dr King's New Discovery," writes Mr F, "for a dreadful cough, when I was so weak my friends all thought I had only a short time to live, and it completely cured me." A quick cure for coughs and colds, it's the most safe and reliable medicine for many throat and lung troubles—grip, bronchitis, croup, whooping cough, quinsy, tonsillitis, hemorrhages. A trial will convince you. 50 cts and \$1.00. Guaranteed by M L Allen.

GREELYVILLE GREETINGS.

Prize Acre of Corn Yields 105 Bushels—Local and Personal.

Greelyville, October 7:—The lyceum course was opened here last Thursday night with the Bunell Group. The people of town should enjoy such attractions and should show their appreciation by coming out in full force.

The prize acre of corn planted by Mr T W Boyle was measured Thursday evening, and to his regret, it made only 105 bushels. He won the prize last year with a yield of eighty bushels.

Mr T J Hogan spent Sunday in Charleston.

Messrs E C Spann and Joe Clark of Lynchburg visited friends here a few days last week.

Dr R F Zeigler, who was taken to the Sumter infirmary recently, has returned and is very much improved; we are glad to see him out again.

Mr C W Boykin spent Saturday at St Stephens.

Messrs Henry McClary and Willie Rhodus spent Saturday at Kingstree; they say they went to see a dentist.

There have been 800 bales of cotton ginned here this season so far. It is not expected that there will be half of the crop that we had last year.

Eighty bales of cotton were ginned here last Saturday.

Mr B G Land took his wife to Sumter Sunday, where an operation was performed, and it is reported that she is doing nicely.

A Log on the Track

of the fast express means serious trouble ahead if not removed, so does loss of appetite. It means lack of vitality, loss of strength and nerve weakness. If appetite fails, take Electric Bitters quickly to overcome the cause by toning the stomach and curing the indigestion. Michael Hesseheimer of Lincoln, Neb, had been sick over three years, but six bottles of Electric Bitters put him right on his feet again. They have helped thousands. They give pure blood, strong nerves, good digestion. Only 50 cents at M L Allen's.

Negro Works Clever Ruse.

Sumter, October 7:—Hardy Johnson, colored, who was in custody to be tried at the term of court now in session, on the charge of house-breaking and larceny, managed to escape from the Sumter hospital Sunday morning by means of a very clever ruse. He poured carbolic acid on his hands and clothes Saturday night and deceived the officers into thinking that he had drunk the poison. He was taken from the jail to the hospital for treatment. Here it was thought that he could not possibly live and his guard was removed. Sunday morning early he managed to slip from the hospital and has not been caught yet.

Here is a woman who speaks from personal knowledge and long experience, viz, Mrs P H Brogan of Wilson, Pa, who says, "I know from experience that Chamberlain's Cough Remedy is far superior to any other." For sale by all dealers.
