Death of William Rugh, the Gallant Newsboy of Gary, Ind.

Chicago, October 20:-Twenty-five thousand men, women and children, with bowed heads and moistened eyes stood in the streets of Gary, Ind, this afternoon and joined in singing "Nearer, My God, to Thee." It was Gary's reverent, tearful farewell to William Rugh, the newsboy, who lost his life that another life might be spared.

The story of William Rugh's heroism-how he neard of Miss Ethel Smith's horrible burns in a motorcycle explosion, how the surgeons said her wounds would never heal unless enough cuticle could be secured to graft on and cover the open surface of her burns, how Gary's crippled "newsie" told the surgeons that they were welcome to his deformed leg if it would answer their purpose, how the offer was accepted, the leg amputated and the grafting process successfully wrought, has been told in The World. Rugh did not know the girl.

Miss Smith was recovering rapidly until she was shocked by the news of the death of her benefactor. Now she is in a condition of collapse. Rugh was apparently recovering from the amputation, but pneumonia developed and the end came rapidly .- N Y World
