#### **KINGSTREE HIGH SCHOOL.** ......................

All patrons and friends of the flower and vegetable. Kingstree school are invited to attend our Christmas exercises, to be held Friday, December 20, at 10 HONOR ROLL, SECOND MONTH, 1912-13. o'clock. For this occasion every classroom will put on holiday attire. First and second prizes of \$3.00 and | Fenters. \$1.50, respectively, are offered for the rooms most tastefully attired. In order to reach a decision in this matter, every visitor will be allowed a vote, the votes will be collected and counted and the two rooms receiving the greatest number of votes will be awarded the prizes. This plan was formulated at the monthly meeting of the school faculty held December 6. It may interest the patrons to know that these meetings are held on the last Thursday of every school month, and all the teachers attend regularly. Matters relating to the best interests of the pupils are discussed and plans formed to increase the efficiency of the work.

We are glad to note the large attendance at chapel exercises this week.

The smallpox scare is dead All the children have been vaccinated, the quarantine has been raised from every house but one, and the usual number of happy faces is seen in all the class rooms.

## UNION HIGH SCHOOL

.........

Rhems, December 7:-The Francis Marion Literary society has been progressing very nicely. Its members continue to render very effective programmes. We believe that if this society continues its good work it will soon become one of the most prominent literary societies in the State.

The school work has been a source of pleasure to pupils and teachers as well for the past term.

Prof Mason, of Clemson college, has been with us for the past week. The boys of the school, under the supervision of Professors Mitchell and Mason, are laying the foundation for our new dairy. Last Thursday the dairy class gave a cream separating and butter making demonstration. We had several visitors with us, who, as well as the teachers Zeb, December 2. and pupils, took great interest in the work. We have prepared for our butter contest to be on Friday, which we know will be a great step in the general improvement of our community in this line of work.

Although sickness prevented the Beulah Buck quartette from being with us on Saturday night, November 30, we had several selections of music by the music class and teachwhere they were served with supper, cakes and fruit. A neat little sum was realized—something over \$40.

enclosed with wire fencing. A part | dealers. of this will be used for individual plots for each member of the botany class. These plots are 24 by 10 feet each. The remainder will be used for regular gardening and experimental work. Five hundred choice strawberry plants have already been planted. Lettuce and onion seeds will be planted this week.

The flower garden has been worked up in fine condition. We have several hundred bulbs planted, some sweet peas and other small flowers. Other plants will be added quite soon.
