

Merry Christmas

A BLAZE OF BARGAINS

awaits every person that steps into this store. Bargains that are Bargains. Bargains that mean money saved for you.

CHALLENGE SALE

That's exactly what it is---CHALLENGE. We defy competition to meet our price. It's really amusing to see how some of them are trying to break in on the business coming here, but they haven't got the ammunition. We were first in the field with the powerful gun---SMALL PRICES. We started the ball rolling and the people were quick to respond. We've been setting the pace and we are going to keep it fast enough so that we will have clear sailing for THE GRAND WHIRLWIND FINISH.

I thank you one and all for the generous patronage since this sale opened. I cannot say more, but I assure you that this comes from the bottom of my heart. When I advertised this sale I, of course, looked for good business. I made the prices very low because I wanted to reduce the stock and I wanted to get more people to coming to our store, for I know that my prices are always lower than other stores because I do business on smaller expense than any other store. I never have accumulations of old goods, for I buy in small quantities and have fresh goods coming in all the time, and I find that people like this. Once more I say thank you for the business in the past, the business now and the business that you will give me.
