Mr W O Wilson, State deputy of tree the past three years, has removed to Lake City with his family, where he will engage in business. Mr Wilson says he is not leaving Kingstree because he dislikes the place, but, on the other hand, he thinks it the finest little town he has ever lived in. Also he thinks we have one of the best county papers in the State. We regret to lose Mr Wilson and his

family as citizens of Kingstree and wish them happiness and prosperity in their new home.
