 Miss Ellen Britton of Lanes, who has been visiting her cousin, Miss Fannie McConnell, returned home Friday.
 Miss Mamie Brown has been visiting her brother, Mr H P Brown at Lanes.
 The new school house is completed; it is a pretty little house await-

 Mr W R McConnell of Lanes visited his old home here Saturday and Sunday.
 A party was given one day last week in honor of Miss Ellen Britton at the home of Mr and Mrs Thompson, who have recently moved into their new dwelling. Games were played until a late hour and all present seemed to enjoy a pleasant time.
 On Sunday, January 19, at the home of Mr and Mrs C J Thompson was solemnized by Notary Public J I Morris the marriage of Miss Maggie Thompson and Mr Allen Tanner. The bride wore a beautiful dress of cream satin and a wreath of orange blossoms. Miss Cammie Thompson, a sister of the bride, and Mr Rich Brunson were the attendants. Mr and Mrs Tanner will be at home to their friends at Mr J A McClary's near Trio, and everyone wishes them smooth sailing on the sea of matrimony. ROSEBUD.

The right kind of fertilizer is a good investment. The vines will continue to bear melons of first quality instead of yielding only one or two pickings and then a lot of unmarketable culls.
Supplement the compost with 1000 to 1500 pounds of 5-8-10 goods, the ammonia to be derived mainly from organic substances like blood, tankage, fish or cottonseed meal.

and worry about what it will cost you to repair those damages to your carriage. Just consult W M Vause & Son and what at first may have seemed to you serious and costly will soon simplify itself into a very trivial item.
