EVER WATCHFUL.

A Little Care May Save Many Kingstree Readers Future Trouble.

Watch the kidney secretions. See that they have the amber hue of health; The discharge not excessive or infrequent; Contain no "brick-dust like" sediment.

Doan's Kidney pills are especially for weak kidneys.

Here's proof of their merit.

H P Lane, Marion, S. C., says: "For more than a year I suffered from backache and sharp pains through my loins. In the morning on first arising, I was so lame and stiff that I could scarcely get around and some days I was unable to work. My kidneys were sluggish and the kidney secretions were unnatural. I heard so much about Doan's Kidney Pills that I concluded to give them a trial and procured a box. After short use I felt better than I had for years. My back became stronger, the lameness and soreness left and the kidney secretions were regular in passage. You may use my testimonial if it will prove of benefit to any person suffering from kidney trouble."

SUDDEN DEATH OF JOEL E BRUNSON.

FORMER CITIZEN OF WILLIAMSBURG COUNTY DIES SUDDENLY NEAR SUMTER.

Sumter, February 8:—The people of Sumter were shocked and saddened this morning to hear of the finding of the dead body of Mr Joel E Brunson alongside the railroad track, near New Sumter, a station on the Atlantic Coast Line railroad, about five miles from Sumter, where he had dropped when returning from his farm to that place to take the train home.

Mr Brunson was a well-known and highly esteemed citizen of this city and was well-known throughout the State because of his fight against the liquor traffic. He ran for Governor of the State twice, the second time in 1906 on the prohibition ticket. He was also publisher and editor of the Broad Axe, the official organ of the Prohibition party in South Carolina, for a number of years, in which he continued his fight for prohibition.

Mr Brunson left home with his wife this morning on an early train. He got off at New Sumter to go to his farm, several miles farther on, while his wife went on to Mayesville to spend the day with her daughter. When returning from his farm, where some work was going on, he dropped dead by the railroad track, a quarter of a mile from New Sumter. It was stated by a member of the family today that members of the family had tried to dissuade him from this trip, but he said he was compelled to go, as he had not been out to see about the work in several days. His body was found by an old negro, Ben Franklin, who summoned some white neighbors. The Atlantic Coast Line train to Sumter came along shortly after this and was flagged and the body put on it to be brought here.

There were only two witnesses at the inquest, Dr Mood, who examined the body and pronounced death to be due to natural causes, probably from apoplexy, and Ben Franklin, who had discovered the body. The jury returned a verdict in accordance with the testimony of Dr Mood.

The deceased started out in life as a printer in the old "Watchman and Southron" printing office. This was during the war, in which he was too young to serve actively in the field, although he was a member of the reserves and ready to serve at home at any time. Later he entered into the lumber business, in which he was interested up to the time of his death. He was also interested for the past few years in farming, although he sold his farm between here and Mayesville some time ago.

The funeral services will be held here tomorrow afternoon, and will be conducted by Dr C C Brown, of the First Baptist church, of which the deceased was for many years an earnest member.

The Best Cough Medicine.

"I have used Chamberlain's Cough Remedy ever since I have been keeping house," says L C Hames of Marbury, Ala. "I consider it one of the best remedies I ever used. My children have all taken it and it works like a charm.
