TRIO TOPICS.

W. O. W. Fish Fry--School Entertainment--Personal Mention.

Trio, March 17:--Friday night, March 14, the Woodmen of the World gave a fish supper in its new building on Front street. Although it rained there was a large crowd, and every one present enjoyed the occasion.

The Palmetto Literary society of Trio Graded school held their weekly meeting Friday afternoon. Quite an interesting programme was rendered, as follows:

Essay..... Miss Marietta Moore.
Reading..... Talbert Locklear.
Declamation..... Wilmot McCullough.
Debate--Subject: "Resolved, that athletics are of more benefit to graded schools than manual training." Affirmative: Aey McCants, Talbert Locklear. Negative: Bessie Register, Bill Bryan. Won by negative.

Trio Graded school will close March 28. Prof J C Morgan leaves in April for an extended trip North, taking in Washington and New York on his way to visit relatives in Maine.

Miss Effie Simmons, Prof Morgan's able assistant, will teach a private school for a month.

Mr D Z Powell was carried to Florence Monday morning for an operation. He has been very ill since Saturday.

We are sorry to learn of the illness of Mr Rob Register.

Miss Effie Simmons will give an Easter egg hunt for the school children on Friday afternoon, the 21st.

Mr J L Register has returned to Georgetown, after spending two weeks with his parents.

We have had a very heavy rainfall the past week.

Mr and Mrs E J L Powell spent several days in Charleston last week.

Mr J B Files is in Greenville attending a meeting of the Woodmen of the World.

Mr Sidney Loryea has accepted a position with Mr F L Powell.

Miss Bessie Register has returned from a visit to Georgetown.

Mrs T G McDonald of Andrews was in town for the fish supper. She was accompanied by her children, Weyman and Gussie.

Mr Walter Moore has returned from a visit to Andrews.

Judging from observation "Dan Cupid" has been very busy this winter around here and we expect two or more invitations to June weddings.

Mr Tom Files expects to move into his new home on Railroad avenue soon.

A Correction.

Editor County Record:--
I desire to correct a statement published in last week's issue of The Record under the nom de plume "A Fan". This is not intended as a reflection upon the Kingstree team, as they acted like gentlemen during our whole stay in their town. From the account published it is easily seen that the writer knows very little of the game and does not use the little knowledge he has. We wonder that he does not sign his real name! It is plain to any fair-minded man that it is hardly possible that one pitcher would be in fine form and allow four runs, when the other was "hit to all parts of the field for seventeen hits," and yet have only five runs scored against him. Quite a reflection on his own team! A team making seventeen hits and only five runs must be composed of wooden legs and slumberers. As a matter of fact, only six balls were hit in the out-field and those six spelled our "defeat."

Thanking you for giving space to this correction, I am,

Yours truly,

(Signed) BOYD JEFFORDS, Mgr.
