**KINGSTREE—THE GATEWAY TO OPPORTUNITY.**

"In men whom men condemn as ill,  
I find so much of goodness still;  
In men whom MEN pronounce divine,  
I find so much of sin and blot—  
I hesitate to draw the line  
Between the two—where God has not."

The phrase "turned turtle", a fatal one to automobilists, has gained a new significance in connection with Dr. Friedman's life-giving serum, extracted from the lowly turtle.

The candidates in the First Congressional district all profess to be running on a "high plane." Judging from the reports of their speeches some of them seem to be riding an aeroplane.

Our idea of a considerate physician takes form and substance in the person of a California medico, who, after his patient's demise, presented his bill to the estate for \$235 for professional services. When asked why he had not presented the bill during the life-time of the patient, the doctor replied that he was afraid it would have caused the sick man's death from heart failure.

**A County Fair.**

Editor County Record:—  
Your editorial on a county fair for Williamsburg is, I think, very timely, and I desire to endorse what you have said as to the necessity of such an organization and the benefits that all the people would derive therefrom. I do not believe there is a county in the State that would derive more benefit from a county fair than would Williamsburg. A county that is to a great extent undeveloped and with great possibilities, such as are natural to Williamsburg, ought to endeavor to take some forward steps that tend to encourage those who are working and laboring for the upbuilding of the county and that would, at the same time, advertise our resources to the country at large. It behooves the business men, farmers and capitalists of Williamsburg county, to get together on the line suggested in your editorial and perfect an organization that will make possible a county fair. All that is necessary is co-operation. We have everything that is needed to make the fair a great success, and if we but get together, the movement will be successfully launched and successfully carried out, and to this end I suggest that a meeting be called at an early date to formulate such plans as are necessary to organize on a good business basis a county fair association.

Respectfully,  
PHILIP H. STOLL.

Mrs J H Cogburn, of the Meeting street section, has an egg, laid by an ordinary hen, that is a freak worthy of notice. The egg lengthwise is nine inches in circumference, seven inches around the body. Inside of the yolk is a hard egg of usual size.

**A PARK FOR KINGSTREE.**

Hon. R. H. Kellahan Deeds Plot for That Purpose to the Town.

Hon Richard H Kellahan yesterday conveyed by deed to Mayor L P Kinder, LeRoy Lee and Edwin L Hirsch, Esqs, to be known as trustees under the deed of conveyance, and to their successors in office, all of a certain parcel or lot of land in the town of Kingstree bounded on the north by lot of P H Stoll, Esq, east by Epps street, south by Kelley street and west by lands of the Academy Realty Co.

The piece of land above described is located at the head of Academy street and for some time past has been undergoing improvements under the supervision and direction of the Civic league with the object in view of converting the same into a park or recreation ground for the white children of Kingstree. The deed specifically says that the trustees shall accept and hold in trust the above described piece of land for the sole purpose of a park only for the white citizens of Kingstree, and if it should be used for any other purpose the deed will become inoperative, null and void. The deed further provides that in case any one of the trustees mentioned should die or resign, the town council shall appoint a successor.

With its location and abundance of shade trees and shrubs, the plot, which is about one acre in size, is admirably suited for the purpose for which it is given, and we feel safe in saying that in making this donation to the town Mr Kellahan will have won the grateful thanks of every citizen of Kingstree.

Last spring Mr Kellahan gave the officers of the Civic league permission to improve and use the premises as a recreation ground for children, and it was generally hoped, and believed by many at the time that later on Mr Kellahan would deed the plot to the town for a park. This hope has been realized, sooner, perhaps, than was expected.

The Williamsburg Hardware Co has just received the latest thing in a 1-horse Cultivator, and it will pay you to call and see it. It

**WHY WOMEN SUFFER.**

Many Kingstree Women are Learning the Cause.

Women often suffer, not knowing the cause. Backache, headache, dizziness, nervousness.

Irregular urinary passages, weakness, languor—

Each a torture of itself. Together hint at weakened kidneys. Strike at the root—get to the cause. Quickly help the kidneys if they need it.

No other remedy more highly endorsed than Doan's Kidney Pills.

Here's convincing testimony from Manning.

Mrs Joseph Wells, Manning, S C, says: "I was afflicted with kidney complaint and I suffered intensely dull nagging backaches, headaches and dizzy spells. Doan's Kidney Pills proved to be just what I needed and I had not used them long before I was relieved."

The cost of living is lower in South Carolina than in any other State in America. The annual per capita cost of our clothing is \$33.87, while the average for the United States is \$95. Our per capita cost for food is \$156.15, while the average for the whole country is \$312. So you see this is a poor man's paradise.—Conway Field.

**A LETTER TO TEACHERS.**

Earnest Appeal to Our Educators by Superintendent McCullough.

Dear Teacher:—

At a meeting of the committee on arrangement for our field day at Lanes it was decided to have two spelling matches, one for pupils of the 3rd, 4th and 5th grades; and one for those of the 6th and 7th grades. You are requested to send two contestants for each of these events. The geography and history contests will be conducted as the spelling match. Only such questions on United States and South Carolina history as require short answers will be given. Those who will write compositions will bring along paper and pencils. The boys in the sack race will provide themselves with the necessary equipment therefor.

There will be first and second prizes for all the events, both athletic and literary, and best, of all, a trophy cup will be awarded by the county to the school winning the greatest number of points in the aggregate. This cup is to be kept by the winning school until our next field day and awarded in like manner yearly. Yours sincerely,  
J G McCULLOUGH.
