KINGSTREE HIGH AND GRADED SCHOOL NOTES.

The Kingstree Graded school met with the other schools of the county at Lanes, Cedar Swamp school began practicing during the afternoons for the occasion. Some of the boys showed such marked activity that Miss Bethea and Mr L H McCullough, who had charge of the training, decided that Liston and Preston Howard would be the easy winners for the high jump in the contest. They were not wrong in this conjecture, for with ease and agility Liston made a high, elastic spring, cleared 4 feet and 8 inches, taking first prize, with Preston a close second. Desmond Tisdale, a student of the same school, is rather heavily built and takes long strides while casually walking, and one would scarcely judge him to be a swift runner; but when on the track for a race his mettlesome spirit rises, as it were, and fills him with determination to win. He made the 220 yards, or 1-8 of a mile, in 32 seconds, coming out second, however. Later, he made a 106 yard dash in 13 3-5 seconds, being the easy winner.

In the apple race for the girls Eula McCullough was ahead in the first division and Mabelle Rembert in the second division. But in the second race Eula tied for first place. In the spelling contest one by one fell out after a hard fought battle with difficult words. Mr Speigner gave clearly to each one the words, and it was really remarkable how beautifully each of them spelled most of those intricate words of which the English language is composed. However, in the course of time Miss Alma Duke, of Cedar Swamp Graded school, remained standing as the victor.

Cedar Swamp school lost a good many points in the literary contest to the honor of the other school contestants. W E S.

ook to Your Plumbing.

You know what happens in a house in which the plumbing is in poor condition—everybody in the house is liable to contract typhoid or some other fever. The digestive organs perform the same functions in the human body as the plumbing does for the house, and they should be kept in first class condition all the time. If you have any trouble with your digestion take Chamberlain's Tablets and you are certain to get quick relief. For sale by all dealers. adv

BENSON AT ATHLETIC MEET.

School Representatives Win Several Prizes.

Benson, April 7:—Just a short time previous to the athletic meet at Lanes, Cedar Swamp school began practicing during the afternoons for the occasion. Some of the boys showed such marked activity that Miss Bethea and Mr L H McCullough, who had charge of the training, decided that Liston and Preston Howard would be the easy winners for the high jump in the contest. Powell-Woodberry.

Johnsonville, April 8:—The prettiest marriage our community has seen for a long while was solemnized last Wednesday evening in old Trinity church, when Miss Mattie Powell of Poston became the bride of Mr Clarence Woodberry of Johnsonville, Rev Mr Ingraham of Johnsonville, officiating.

The church, artistically festooned with yellow jessamine and cut flowers of yellow hue, made us aware that spring is here in all its glory of gold and green.

The bridesmaids wore yellow satin draped with chiffon, with gloves and shoes to match, and carried armfuls of yellow flowers. The maid of honor, Miss Cappie King, wore a charming gown of hand painted tissue cloth over satin in softest green.

The bride was never lovelier than in her stately wedding gown of white charmeuse made *en traine* and draped with chiffon and old lace, with handsome pearl trimmings. The long veil was held in place by a crown of orange blossoms. The bride carried white roses and maiden hair fern, entering on the arm of her maid of honor.

The groom came in with Mr Kirk Cockfield as best man, meeting the bride at the altar, the impressive ring ceremony being used.

The other attendants were: Miss Lila Eaddy with Mr Clarence Davis, Miss Cornelia Cockfield with Mr Fitzhugh Eaddy and Miss Myrtle Poston with Mr Eddie Venters.

Immediately after the ceremony a delightful reception was tendered the bridal party and invited guests by Mr and Mrs Levin Poston, brother and sister of the bride, at which dainty refreshments were served.

The bride and the groom quietly took their leave for "parts unknown" and will be at home to their many friends at Johnsonville in about two weeks.

These young people are deservedly popular and we bespeak for them a bright and happy future.

He was 56 years old. F L B.

Coughs and Consumption.

Coughs and colds, when neglected, always lead to serious trouble of the lungs. The wisest thing to do when you have a cold that troubles you is to get a bottle of Dr King's New Discovery. You will get relief from the first dose, and finally the cough will disappear. O H Brown of Muscadine, Ala, writes: "My wife was down in bed with an obstinate cough, and I honestly believe had it not been for Dr King's New Discovery, she would not be living to-day." Known for forty-three years as the best remedy for coughs and colds. Price 50c and \$1.00. Recommended by Kingstree Drug Co and M L Allen. adv

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. F J CHENEY & CO, Toledo, O.
