Doan's Kidney Pills are especially .96 for weak kidneys. Here's proof of their merit.

H P Lane, Marion, S C. says: "For more than a year I suffered from backache and sharp pains through my loins. In the morning, on first arising, I was so lame and stiff that I could scarcely get around and some days I was unable to work. My kidneys were sluggish and the kidney secretions were unnatural. I heard so much about Doan's Kidney Pills that I concluded to give them a trial and procured a box. After short use I felt better than I had for years. My back became stronger. the lameness and soreness left and the kidney secretions were regular in passage. You may use my testimonial if it will prove of benefit to any person suffering from kidney trouble.'

For sale by all dealers. Price 50 cents. Foster-Milburn Co, Buffalo, New York, sole agents for the United States.

Remember the name-Doan'sand take no other. adv.

"You don't swear at your mule as much as you used to."

"I should say not," replied the grizzled boatman. "Every time I think of what a mule costs these days I feel like taking off my hat to him."
