Lake City, September 16:—Miss Ethel Nesmith left last Sunday evening for Milledgeville, Ga, where she will teach English in the Georgia Normal and Industrial College.

Mrs Geo C Haselton very charmingly entertained the faculty of the graded and high school Friday evening. After dinner progressive whist was played. Quite a number of the town boys were also invited to meet the young ladies and enjoy the games.

Mrs J M Sturgeon entertained last Saturday with a dinner party, complimentary to her house-guests, Miss Mae Mayes of Kentucky and Mr Robert Mayes of Washington, D C.

The Ladies' Aid society of the Methodist church met on Monday last with Mrs T J Cottingham.

Last Thursday was quite a lively day for disposing of legal matters here, there being two cases in the municipal court—both of which were "blind-tiger" cases—three cases in Magistrate O S Baldwin's court and two references before Judge of Probate Brunson, of Florence county, who came down to Lake City for the convenience of all parties concerned.

D Gordon Baker, Esq, and Hon Harry A Brunson of Florence, C E St Amand and R J Kirk, Esqs, of Kingstree were in town last Thursday on professional business.

About 350 subscribers to the electric light plant have been obtained. The wiring will be commenced the latter part of the month. The plant will be in operation by December 15, with a day and night current.

Mr W W Singletary, accompanied by his bride, formerly Miss Ethel Spivey of Moultrie, Ga, returned to

Lake City last Wednesday evening. Mr and Mrs Singletary will make their home near Lake City and have the best wishes of their many friends here for a long and happy wedded life.

Among the students returning to college are: Messrs S C Green and James C Williams to the State University; D C Cook, Richardson Chandler and J O Green, Wofford College; Talmage P Askins, Furman University.

Miss Laura Stuckey left Monday morning for Columbia, where she will take a business course.

Miss Maggie McClam will leave in a few days for Converse College.

Of great interest to the many friends of the deservedly popular young couple will be the marriage of Miss Annie Howle to Mr David Powers of Charleston, which will take place at the bride's home October 8.

ARM MANGLED IN GINNEY.

Mr. J. A. Kelley, of Florence County, Badly Hurt.

Mr J A Kelley, a well known and well-to-do farmer near Timmons-ville, while adjusting the saws of one of the gins on his plantation Friday morning, got his left hand caught in the whirling machinery and his hand and arm were so badly lacerated that it was necessary to have the arm amputated near the shoulder. Mr Kelley was brought to the Florence infirmary and is resting fairly well.

Just about the same time that Mr Kelley was injured a negro on the plantation of Mr Mack Gregg, near this city, had his arm caught in a gin and it was necessary to amputate the hand. Some months ago this negro lost one of his hands by accidentally shooting himself and today he is helpless. — *Florence Daily Times*.

Mr J A Kelley, the victim of the accident above recorded, is the father of our townsmen, Dr E T and Mr J C Kelley. Both these gentlemen have the sympathy of all in their father's painful and serious injury.

It is thought that the currency bill now pending in Congress will be passed without much trouble.

WHITE OAK CHIPS.

A Marriage, a Baseball Picnic and Other Local Items.

White Oak, September 16:—On of last week Mr Ingram Coker and Miss Susannah Matthews were united in marriage by Hon P M Brockinton. We wish for our young friends much health and happiness.

The White Oak baseball team crossed bats with the Cedar Swamp boys last Saturday and were again defeated, this time the score being 4 to 1 in favor of the visiting team. The White Oak boys helped to furnish the picnic by serving free lemonade. The ladies of the community did a very bountiful and much appreciated part in supplying the table with appetizing comestibles. The boys all seemed to enjoy themselves and probably it will not be long before they will meet again on the diamond.

Farmers are getting on very well gathering the "fleecy staple". The familiar whir of the mower can be heard on almost every hand now.

Mr C M Hinds of Kingstree was noted in our locality last week.

Miss Pauline Cantey, a graduate of the Manning High school, has accepted the "White Oak", or Eaddy school. The patrons and pupils all seem to be well pleased with her as the "new teacher". B W M.
