

BENSON BREEZES.

A Series of Religious Services-- Crops Damaged by Gale.

Benson, October 14:—A series of services is being held at Cedar Grove Baptist church by Rev W I Sinott, the Presbyterian minister of Central church. The Baptist denomination kindly consented for these services to be held in their church for the convenience of the Presbyterians who live in this section.

The recent gale did considerable damage to open cotton, and also to hay that was cut and stacked, by the high wind driving the rain-drops into the body of the stack.

Miss Thelma Crooks has returned from an extended trip to Greenville, Newberry and Glenn Springs.

Mr Fred Guerry boarded the train Friday, which has not been an unusual occurrence of recent days, ostensibly to his friends to visit a lady acquaintance who is teaching in one of the adjoining counties. Since his departure we are informed that a telegram came from Columbia announcing the felicitous conjugal relationship of himself and Mrs Kate Felton. Here's wishing them many, many happy days, with gentle, favoring zephyrs ever filling the sails of their matrimonial barque, wafting them blissfully over smooth seas in the harbor of sunshine, laughter and love. The many matrimonial eligibles, as far as age is concerned, especially in this community, would act wisely to emulate Mr and Mrs F P Guerry's example to embark on life's voyage ere time shall have left them stranded mercilessly on the bleak and barren shore of celibacy. (That sounds like business, Wattie. Practice what you preach.—Editor).

Mr Mackie Nesmith of Nesmith made his appearance with his blushing bride at church here Sunday afternoon.

Mr Henry Phillips and his sister, Miss Annie, went to Greeleyville yesterday to attend a play at the opera house. W E S.

CHAT FROM CADES.

EASY RELIEF FROM CONSTIPATION.

The Remedy That Replaces Calomel-- Causes No Restriction of Habit or Diet.

It is a mistake to take calomel when your liver is lazy and needs toning up. Hundreds of people in this section have discovered that Dodson's Liver Tone is a thousand times better and safer and its action is just as sure. There are none of the bad after-effects of calomel to Dodson's Liver Tone and no danger of salivation.

For attacks of constipation or biliousness one or two spoonfuls of this mild, pleasant tasting vegetable liquid are enough and Dr W V Brockington gives a personal guarantee that every bottle will do all that is claimed for it. Money back in any case where it fails.

Dodson's Liver Tone costs only 50 cents for a large bottle. Remember the name because there are any number of remedies sold in imitation of Dodson's claims. Some of them have names very similar to Dodson's Liver Tone—and are in same color package. These imitations are not guaranteed and may be very harmful. Go to Dr W V Brockington and you will surely get the genuine.

Miss Etta Graham, in the infirmary.

Mr W W Strickland has come back to Cades to finish his memorial work.

Mrs R L McElveen and Mr D J McElveen went to Florence Tuesday on business.

Jim Matthews and Arthur Burrows got into a row Sunday night at the Burrows' school-house. Matthews was stabbed in the neck with a knife, it is supposed, by Burrows.
