**VOTE WAS UNANIMOUS.**

**Whereby New Zion and Workman Come to Williamsburg.**

The special election held Tuesday at the store of R C Burgess, in Clarendon county, resulted in a unanimous vote for the annexation of a certain portion of Clarendon territory to Williamsburg county. There were 28 votes polled, and the territory that by the result of Tuesday's election will become a part of Williamsburg county is known as the south-eastern portion of Midway township and the south-eastern section of Sandy Grove township and embraces about 13 square miles, within which are situated the villages of New Zion and Workman.

A big barbecue was held in connection with the election, and those most directly interested in the transfer of the territory from Clarendon to Williamsburg county were well entertained during the day. E L Hirsch, Esq. of Kingstree, who has been instrumental in engineering the legal proceedings incident to the annexation, is delighted with the result of the election, although he regrets that he was not present for the barbecue.

**CHILLS AND FEVER OR ANY FEVER QUICKLY YIELD IF TREATED WITH JOHNSON'S TONIC**

**SEE HIM FIRST!**  
Before the fertilizer salesman arrives, go to your dealer and explain to him that you will not buy 2 per cent. goods that contain only 40 pounds of Potash per ton. Show him that modern, profitable fertilizers contain from 5 to 10 per cent. Potash, and that the composition of crops and the effect of crops on soils require that the per cent. of Potash should be increased until it is as great as, or greater than, the per cent. of Phosphoric Acid in the fertilizer. It is this grade of goods that pays you and your dealer best. The quantity and quality of the crops are better and the actual plant food costs less per pound.

**A BRONCHIAL COUGH**  
is wearing and dangerous because the inflamed, mucus-filled tubes interfere with breathing and the fresh air passes through that unhealthy tissue.

Probably no other remedy affords such prompt and permanent relief as **Scott's Emulsion**; it checks the cough, heals the linings of the throat and bronchial tubes and strengthens the lungs to avert tuberculosis. This point cannot be emphasized too strongly—that **Scott's Emulsion** has been suppressing bronchitis for forty years and will help you.

Be careful to avoid substitutes and insist on **SCOTT'S**.
