Revs J R T Major and D A Phillips visited the school and conducted chapel exercises one morning last week. The talks given by both of them were very instructive.

We were glad to have Miss Mamie McLees and Mrs W F Tolley present at some of the high school recitations one day last week.

The Wee Nee Literary society held its regular meeting Friday, October 31, and, in the absence of Miss Thorn, Mr McFaddin presided over the meeting. Many nice selections were read by the members and then the debate opened, the query being: Resolved, That if the eleventh grade were added to the Kingstree High school it would be beneficial to the surrounding country. This was a very interesting subject, and after some strong points were brought out on both sides the decision was rendered in favor of the negative. We are very glad that our society is progressing and are also glad that the members are taking more interest in it; but let each one of us endeavor to make it even better.

BARBECUE AT BENSON

For Benefit of Methodist Church Well Patronized.

Benson, November 12:—Friday evening was one of the ideal kind that the weather bureau so generously favored the visitors who wished to attend the barbecue mentioned in last week's Record, to take place at Benson.

A jolly good crowd gathered at the home of Mr W E Snowden early in the evening and spent a few hours very enjoyably with not an occurrence to mar the pleasure of the occasion. Not alone was time spent but money was spent also. This was necessary to complete the success of the entertainment.

All the men present were liberal, for when the dollars, halves and quarters were counted, the gross amount aggregated ninety dollars and the net proceeds were seventy-five and one-half. This was in excess of the expectations of the promoters of the festival and they thank the numerous friends for their generosity.

In a short time there will be an addition built to the front of the Methodist church, which will stand as a witness for the money spent that evening.

Among the visitors present Kingstree, Bloomingvale, Beulah and Nesmith were represented.

Nervous?

Mrs. Walter Vincent, of Pleasant Hill, N. C., writes: "For three summers, I suffered from nervousness, dreadful pains in my back and sides, and weak sinking spells. Three bottles of Cardui, the woman's tonic, relieved me entirely. I feel like another person, now."

TAKE

"FOUR SEASONS SUPPER"

At Scranton--Enjoyable Enterprise for Benefit Baptist Church.

Scranton, November 11:—The ladies of Scranton Baptist church gave a "four seasons supper" last Friday evening in the Singletary store house. A large crowd was present to enjoy the good things prepared and spread on long tables. The decorations were conspicuously beautiful, enhancing much the attractiveness of the occasion.

Above the "Spring" table of fried chicken and salads were wreathed garlands of smilax and pink roses.

Dozens of United States flags waved above fruits and cakes, proclaiming "Summer".

The funny face of a large pumpkin jack-o'-lantern peeped from beneath a bower of autumn leaves and smiled upon turkey, duck, chicken and goose on the "Fall" table.

Three miniature Christmas trees, brilliantly lighted, above drifts of snow, embellished the "Winter" table, where oysters and black coffee was served.

This, the second supper for the purpose of buying the carpet for the new Baptist church, was a social and financial success, the net receipts being about \$40, which, plus the \$35 from the "chicken feast" of two weeks ago, totals \$75. This speaks well for the interested ladies of the church.

A Consumptive Cough.

A cough that bothers you continually is one of the danger signals which warns of consumption. Dr King's New Discovery stops the cough, loosens the chest, banishes fever and lets you sleep peacefully. The first dose checks the symptoms and gives prompt relief. Mrs A F Mertz, of Glen Ellyn, Iowa, writes: "Dr King's New Discovery cured a stubborn cough after six weeks' doctoring failed to help." Try it, as it will do the same for you. Best medicine for coughs, colds, throat and lung troubles. Money back if it fails. Price 50c and \$1.00. All druggists, by mail, H E BUCKLEN & Co., Philadelphia, Pa., or St. Louis, Mo.

Bethel Breezes.

Bethel, November 10:—Some of our farmers still have lots of cotton in the fields.

Messrs Robbie and Bishop Burgess attended a hot supper at Benson last Friday night.

Misses Ruth McElveen, Kate Weeks and Mr W H McElveen went to Kingstree last Saturday.

Mr Robbie Burgess and sister, Miss Mary, visited relatives at Lake City and Scranton Saturday and Sunday.

Mr — Gee of Kingstree was noted in this community last Sunday.

A game of ball was played on the Mouzon diamond Saturday afternoon between Hebron and Mouzons. The score stood 8 to 0 in favor of Mouzons. Hurrah! for Mouzons. I'm glad to see you can play ball without being taught by Hebron.
