He did not stop until he had arrived at a coal mine near Grafton, where 20 gallons of liquor were disposed of. The driver then sold the team and wagon.

**Told That There Was No Cure For Him**  
"After suffering for over twenty years with indigestion and having some of the best doctors here tell me there was no cure for me, I think it only right to tell you for the sake of other sufferers as well as your own satisfaction that a 25 cent bottle of Chamberlain's Tablets not only relieved me but cured me within two months, although I am a man of 65 years," writes Jul Grobrien, Houston, Texas. ## CALOMEL SALIVATES AND MAKES YOU SICK.

Acts Like Dynamite on a Sluggish Liver and You Lose a Day's Work.

Children and grown folk can take Dodson's Liver Tone, because it is perfectly harmless.

CURRENCY in the pocket DEPRECIATES. In the bank it EXPANDS. A person with a \$100 check in his pocket likely will go all day without cashing it. With a similar amount of currency there is a tendency to SPEND A LITTLE. The check remains intact. So it is with a bank account. A person likes to KEEP IT INTACT.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J.
