**A Family in Need.**

We beg to call the attention of our readers to our Earle's correspondent's appeal for help on behalf of Mr Joe McCants, of that community. It seems that Mr McCants is afflicted with an incurable malady which has incapacitated him for work for some months, and he has a wife and four children dependent upon him. We gather from the letter of our correspondent last week that the afflicted family are in almost destitute circumstances and unless something be speedily done for their relief are likely to suffer for the necessities of life.

It is very seldom that a white family of this county is so unfortunate as to be reduced to such extremities and we have never known such an appeal to fall on deaf ears. The people of Williamsburg, as a rule, are kind-hearted and generous and when convinced that the object is a worthy one (as we assume this to be, without knowing the family personally) their sympathies are quickly aroused. From the information we have this family is in urgent need and it is evident that the sooner the appeal be responded to the more good it will do them. A letter addressed to Mr Joe McCants, Trio, S C, will reach them, or we will forward any cash contributions sent to this office, acknowledging receipt of same through The Record, with the names of the contributors.

Wonder what's the latest news from Newport News?

The Eitel didn't tell much that was true to a watchful, waiting public.

Dr Jacobs tells us in "Our Monthly" that he saw no buzzards in Europe during the whole time of his visit beyond the Atlantic. If there be none there now what a glorious feast our foul old scavenger birds are missing daily around the trenches!

And now "Uncle Sam" has another German privateer intruding upon his hospitality, the "Kronprinz Wilhelm" having put in at Newport News for supplies and repairs just as the country breathed free over the interning of the "Eitel". The captain of the commerce-destroying vessel claims to have sunk fourteen merchant ships belonging to the Al-

lies since August 3, 1914. The "Kronprinz Wilhelm" accomplished quite a clever feat of strategy when it slipped into Newport News right under the guns of the hostile warships, and the captain boasts that after getting his vessel shipshape, within about three weeks, he will show his heels to the enemy by getting out the same way he eluded them coming in. But this boastful assertion is hardly to be taken seriously. We venture the opinion that the "Kronprinz Wilhelm" at the end of three weeks will meekly take its place alongside its sister ship, the "Eitel", already interned.

**A Nervous Wreck**

Had No Desire To Live — Peruna Is A Tonic and Strength Builder So Says

Mrs. Frank Stroebel, R. F. D. 1, Appleton, Wis. Her letter:

"I began using Peruna a few months ago when my health and strength were all gone, and I was nothing but a nervous wreck. Could not sleep, eat or rest properly, and felt no desire to live.

"Three bottles of Peruna made me look at life in a different light, as I began to regain my lost strength. While my recovery took nearly four months, at the end of that time I was better than I ever had been before. I had a splendid color and never weighed more in my life.

"I certainly think Peruna is without a rival as a tonic and strength builder, and it has my endorsement."

Mr. Charles Brown, R. R. 4, Box 79, Rogersville, Tenn., writes: "I have tried many different remedies, but have found that Peruna is the greatest tonic on earth, and a perfect system builder."
