Farmers Making Use of Good Weather--Poor Outlook for Crops

Nesmith, June 21:—The farmers of this section have been making good use of the beautiful weather during the past two week by gathering their oats and wheat.

Corn and tobacco seem to be having a very tough time getting over the wet weather we had some time ago. Unless tobacco takes on a different move the crop will be much shorter than was expected some time ago.

I notice that Mr J F Mobley has the best piece of tobacco I have seen in this section this season. Cotton seems to be doing finely.

It seems that the people of this community are looking forward to the rural route that will start up the first of July. We hope that it will be successful.

We are glad to see another store open up on the main street of our little town.

We notice a section of the county changing working here now, the first time in years. We all appreciate Mr Frierson's kindness in sending them here, for the roads certainly did not get it before they needed it.

The friends of W D Mobley will be sorry to hear of his sudden attack of illness and we hope he will soon be able to be out with us again.

Mr G A Lewis was noted in this section last Saturday.

Mr J E Johnson and his daughter, Miss Lillie, took a trip to Charleston one day last week on business.

Messrs Luther and Fred Johnson were noted in town last Sunday, traveling in their father's handsome Ford car.

Mr G G Broadway was seen here Sunday.

Mrs V D Harper of Rome spent the day here with her sister, Mrs B L Nesmith, one day last week.

Miss Lena Haddock spent last week at Andrews with her uncle, Mr — Godwin.

Miss Myrtie Cooper spent a few days visiting friends at Benson this week.

Miss Nellie Scott of Kingstree is visiting relatives here at present.

Dr Thomas and his brother were in our midst last Sunday afternoon.

Mr and Mrs E V Anderson of Morrisville and Miss — Flowers of Andrews spent last Sunday at the island.

Born to Mr and Mrs F E Johnson, last Saturday, a fine boy.

A number of the young ladies and gentlemen attended the ball game at Indiantown last Saturday. The game was played between Benson and Indiantown and resulted in a score of 8 to 16 in favor of Benson.

HAPPY BOY.

Shots from Salters.

Salters, June 21:—The past few day have been very warm.

Crop reports from those coming to town are not encouraging. Cotton is small and needs work in many places; tobacco is small also.

Mrs — Kirkland of Columbia is visiting Mrs H T McClary here.

Mrs M J Salters of Blenheim is spending some time with her daughter, Mrs C E Moseley, of this place.

Mr C A McCrea and wife of Lake City are spending a few days with the latter's parents here this week.

Dr and Mrs — Galloway of Darlington spent Monday with friends here.

Mr Henry E Davis and family of Florence spent Friday and Saturday here with relatives.

We were pleased to have with us for a short while Sunday, our good friends from Kingstree, Messrs L T Thompson, D Silverman and G J Hursey.

Miss Leila Ferrell has returned home after a pleasant visit to friends in Sumter, bringing with her Miss Carrie Sparks, who will spend some time with her.

We are glad to report the sick folk of our neighborhood improving.

Miss Jennie Chandler of Gourdin has returned home after spending some time with friends here.

Piles Cured in 6 to 14 Days

Your druggist will refund money if PAZO OINTMENT fails to cure any case of Itching, Bleeding, or Protruding Piles in 6 to 14 days. The first application gives Ease and Rest. 50c.

TRY IT! SUBSTITUTE FOR NASTY CALOMEL.

Starts Your Liver without Making You Sick and Cannot Salivate.

Every druggist in town—your druggist and everybody's druggist—has noticed a great falling-off in the sale of calomel. They all give the same reason. Dodson's Liver Tone is taking its place.

"Calomel is dangerous and people know it, while Dodson's Liver Tone is perfectly safe and gives better results," said a prominent local druggist. Dodson's Liver Tone is personally guaranteed by every druggist who sells it. A large bottle costs 50 cents, and if it fails to give easy relief in every case of liver sluggishness and constipation, you have only to ask for your money back.

Dodson's Liver Tone is a pleasant-tasting, purely vegetable remedy, harmless to both children and adults. Take a spoonful at night and wake up feeling fine; no biliousness, sick headache, acid stomach or constipated bowels. It doesn't gripe or cause inconvenience all the next day like violent calomel. Take a dose of calomel today and tomorrow you will feel weak, sick and nauseated. Don't lose a day's work! Take Dodson's Liver Tone instead and feel fine, full of vigor and ambition.

Good Advertising.

Discussing the value of advertising the other day a business man declared that advertising on a large scale was only of use if you had a really good thing to advertise. "You must never," he said "try to rush the public into buying a bad article simply by advertising largely. They'll neither forget or forgive if you do."

"Take the hen" he pointed out. "The hen is one of the greatest and most successful advertisers in the world. Every time she lays an egg she advertises the fact loudly. And that is real good advertising, for no hen ever laid a bad egg."

Chamberlain's Colic, Cholera and Diarrhoea Remedy.

This is a remedy that every family should be provided with, and especially during the summer months. Think of the pain and suffering that must be endured when medicine must be sent for, or before relief can be obtained. This remedy is thoroughly reliable. Ask any one who has used it. Obtainable everywhere.

Thaw to Have Jury Trial.

Albany, N Y, June 18:—Court of appeals today upheld the order of Supreme Court Justice Hendrick directing a jury trial to test the sanity of Harry K Thaw.

The court of appeals was unanimous in its decision, which held that Justice Hendrick did not attempt to evade responsibility in directing a jury trial, but merely wished to obtain the advice of a jury.

The decision holds that Thaw has no mandatory right to a jury trial, but that it was in the discretion of the trial Judge to decide whether such a request should be granted.

Free Scholarship.

A scholarship at Winthrop college, worth \$100 and tuition, good for a one-year business course at the college (stenography, book-keeping, etc) is offered by Pee Dee District U D C to girls in the following counties: Chesterfield, Darlington, Florence, Georgetown, Lee, Marion, Marlboro, Sumter and Williamsburg.

Applicants must be 16 years of age, unable to pay for the course, able to pass the entrance examination to the college and must be descendants of Confederate veterans of honorable records.

The scholarship will be awarded by competitive examination held at the county court house July 2, 1915. Apply before then to Mrs D C Scott, President Williamsburg Chapter U D C, Kingstree, S C.

Good Advice to Girls.

Every girl of normal mind wants to be considered beautiful, although but few seem to realize that beauty is practically within their grasp—if they have the energy to grasp. Walk a mile before breakfast, eat plain and wholesome food, drink lots of pure water, observe the laws of cleanliness, take plenty of physical exercise, help your mother with the household duties and think of something besides the boys. Nature will do the rest.—Darlington News and Press.

The real test of manhood comes in lending money to a fellow when you are morally certain you will never see it again.
