

ROAD EXPENDITURES IN SOUTH CAROLINA.

THIS STATE IS FAR BEHIND MOST OTHERS IN AMOUNT SPENT & IN GOOD ROADS LEGISLATION

Clemson College, October 18:— There are now only four States in the Union that have not enacted laws providing for State aid for good roads work. One of these States is South Carolina, the others being Indiana, Mississippi, and Texas. These three other States, however, are above South Carolina in expenditures for road work. Indeed, according to information which has been received at Clemson College from the United States department of agriculture, this State cannot boast of its record in road work and is considerably behind most of the other States of the Union in this respect.

In 1914, South Carolina spent \$1,000,000 on road work, this money coming from local funds of counties, townships, and districts. There were no expenditures by the State and local units jointly, or by the State alone. In the same period, Indiana spent \$13,258,761 and Iowa spent \$11,363,000. Nor does South Carolina compare well with even the other Southern States. As against this State's \$1,000,000, North Carolina spent \$3,930,000, Georgia, \$2,500,000; Alabama, \$2,795,000; Mississippi, \$2,850,000; Tennessee, \$2,500,000; Texas, \$8,750,000. In fact, the only States on the list which are not above South Carolina in road expenditures are the undeveloped States of Arizona, Nevada, New Mexico, Utah, and Wyoming; and the diminutive commonwealths of Delaware, Rhode Island and Vermont.

The total of all surfaced roads in South Carolina is 4,888 miles. In this respect, the State compares favorably with many, since its percentage of surfaced roads is 17.3, making it the thirteenth State in the Union in percentage of surfaced roads. Three States, Ohio, Indiana, and New York, contain nearly one-third of all the surfaced roads in the United States, with a mileage of 77,544.

New York has spent \$82,638,729 on its roads and is spending \$15,000,000 more on them in 1915. This, it should be understood, is the amount spent by the State Government and does not include the huge expenditures by local units.

MAY PROVE FATAL.

When Will Kingstree People Learn the Importance of It?

Backache is only a simple thing at first.

But if you find 'tis from the kidneys;

That serious kidney troubles may follow;

That dropsy or Bright's disease may be the fatal end.

You will be glad to know the following experience.

'Tis the statement of a Kingstree citizen.

Mrs S H DuBose, Kingstree, says: "A spell of grip, weakened my kidneys, and my back began to ache terribly. I could hardly turn over in bed, I was so sore and lame. I tired easily and could hardly do my housework. I suffered from dizzy spells and the kidney secretions being irregular in passage, annoyed me considerably. When I heard about Doan's Kidney Pills I got some at the Scott Drug Co. Two boxes cured me."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs DuBose had. Foster-Milburn Co, Props, Buffalo, N Y.

When Baby Has the Croup.

When a mother is awakened from sound sleep to find her child who has gone to bed apparently in the best of health struggling for breath, she is naturally alarmed. Yet if she can keep her presence of mind and give Chamberlain's Cough Remedy every ten minutes until vomiting is produced, quick relief will follow and the child will drop to sleep to awaken in the morning as well as ever. This remedy has been in use for many years with uniform success. Obtainable everywhere.
