McCULLOUGH-AMIKER.

After Five Years' Courtship, Young Couple Wed.

Bryan, November 8:—Mr J O'Neil Amiker, one of Orangeburg's prominent young business men, by chance met Miss Wilhelmina McCullough about five years ago. She is one of Williamsburg's charming young ladies and the only daughter of Mr and Mrs S E McCullough of Bryan. Her many charms and graces appealed to the lucky young man from Orangeburg in such strong terms he at once set out to woo and win her heart and hand. The culmination of his suit occurred Tuesday, October 26, when they were united in marriage at the manse of the First Presbyterian church in the "City by the Sea" by Dr Alexander Sprunt. Miss McCullough is a charming young woman, possessing many lovely traits of character. She is a graduate of Columbia Female college and has contributed many articles to The Record's columns, showing her ability as a writer. She will be greatly missed, not only in her home here, but by a large circle of friends, whose best wishes go with them to their new home, which we feel sure will be permeated with love, sunshine and happiness. A Christmas Suggestion.

Christmas looms up ahead of us, and the problem must soon be faced of what to spend and where to spend it. There should be but one answer to this question. Prosperity is ahead of us again; therefore, let us make this a joyful Christmas to one and all. Let us make it a prosperous Christmas to this town by buying from our local stores, by keeping our money at home. The patronizing of our home merchants will enable us to increase the prosperity of our town and will give each and every one of us a feeling of just pride in the fact that we are "good citizens all round." Let's make it a "home Christmas," and let's begin now to keep that money in circulation at home.

A Correction.

Editor County Record:—In making the last quarterly report, in Dr T S Hemingway's claim, examination for lunacy, I had Harold Kinder, when it should have been Harold Wheeler. I am sorry for the error, simple as it is, and ask that you publish the correction and oblige. Yours truly, J N HAMMET, County Commissioner.

Bold Attempt at Robbery.

Last Saturday night soon after the last train over the Carolina, Atlantic & Western road left the depot, the assistant agent, Mr Robert Wilson, had cut off the lights and started out of the office, when he was held up by a masked man and ordered to open the safe. With a pistol pointed at and held on him, he could do nothing else but obey, as he was alone. Before he got the safe opened, however, Eugene Bradley, the deaf and dumb son of Mr Sam Bradley, rode up on his bicycle and was ordered to halt by a man standing outside of the door to the office. Of course he could not hear the order to halt and rode right up to the door. The man outside gave the alarm to his pal and ran off. The man inside left hurriedly before Mr Wilson got the safe open. —Bishopville Leader and Vindicator.

Health and Happiness Depend Upon Your Liver.

That sluggish liver with its sluggish flow of bile is what makes the world look so dark at times. Dr King's New Life Pills go straight to the root of the difficulty by waking up the action of the liver and increasing the bile. Dr King's New Life Pills cause the bowels to act more freely and drive away those "moody days." 25c a bottle.

Mr Thomas McCutchen, the local Ford dealer, like all other Ford dealers, has been unable to get any cars from the factory for some time past and does not know when he will be able to get any, and in view of this fact he has accepted the agency here for the famous Dodge Bros Car. He has one of these cars already on hand, and prospective automobile purchasers will act wisely to see this car before buying any other. It is highly recommended by its users everywhere, and it certainly looks like the car for this country. 1t

Distress in the Stomach.

There are many people who have a distress in the stomach after meals. It is due to indigestion and easily remedied by taking one of Chamberlain's Tablets after meals. Mrs Henry Padghan, Victor, N Y, writes: "For some time I was troubled with headache and distress in my stomach after eating, also with constipation. About six months ago I began taking Chamberlain's Tablets. They regulated the action of my bowels and the headache and other annoyances ceased in a short time." Obtainable everywhere.

John, alias Monk Stevenson, who confessed that he was with the four negroes recently electrocuted at the State penitentiary when they killed John Q Lewis, an aged Confederate soldier, though he contended that he had nothing to do with the killing and only went with the others because he was led to believe that they were going off to gamble, was convicted in the court of general sessions at Chester Tuesday of murder with recommendation to mercy, which means that he will spend the rest of his life in the State prison.

How to Prevent Croup.

It may be a surprise to you to learn that in many cases croup can be prevented. Mrs H M Johns, Elida, Ohio, relates her experience as follows: "My little boy is subject to croup. During the past winter I kept a bottle of Chamberlain's Cough Remedy in the house, and when he began having that croupy cough I would give him one or two doses of it and it would break the attack. I like it better for children than any other cough medicine because children take it willingly, and it is safe and reliable." Obtainable everywhere.

COLUMBIAN FEELS WELL AFTER LONG ILLNESS.

OPERATIVE AT DUCK MILLS SAYS THREE BOTTLES OF TANLAC RELIEVED INDIGESTION AND NERVOUSNESS.

Remarkable endorsement of the virtues of Tanlac in cases of stomach trouble and as a general tonic was given in a letter W D Shealey, an employee of the Columbia Duck Mills, wrote the Tanlac man at Columbia. Mr Shealey said three bottles brought him the relief he had vainly sought for many months. He is one of the hundreds who have found relief in this great medicine. His letter follows:

"This is to certify that I was in a very nervous and run down condition when I began taking Tanlac. I took medicine from my family physician, and from a specialist in nervous and stomach diseases, without receiving but very little good results.

"I have taken three bottles of Tanlac, and I can truthfully say that I now feel ninety per cent better than when I began taking it. I truly and earnestly recommend Tanlac to any one who suffers of nervousness, a general run down condition and stomach trouble.

"Wishing you and your medicine a great success in helping suffering humanity, I am, Yours truly, (Signed) "W D SHEALEY."

Mr Shealey's letter was entirely voluntary.

Commenting upon this case and the virtues of Tanlac, T W Galyon, State distributor of Tanlac said: "Tanlac is of especial value for its tonic qualities, and in cases of languor, catarrhal troubles, poor appetite, sleeplessness and faulty circulation, it has proven of remarkable benefit, as many testimonials have told."

Tanlac costs \$1 per bottle or six bottles for \$5. It is sold here at the Kingstree Drug Co.
