Removal ANNOUNCEMENT!

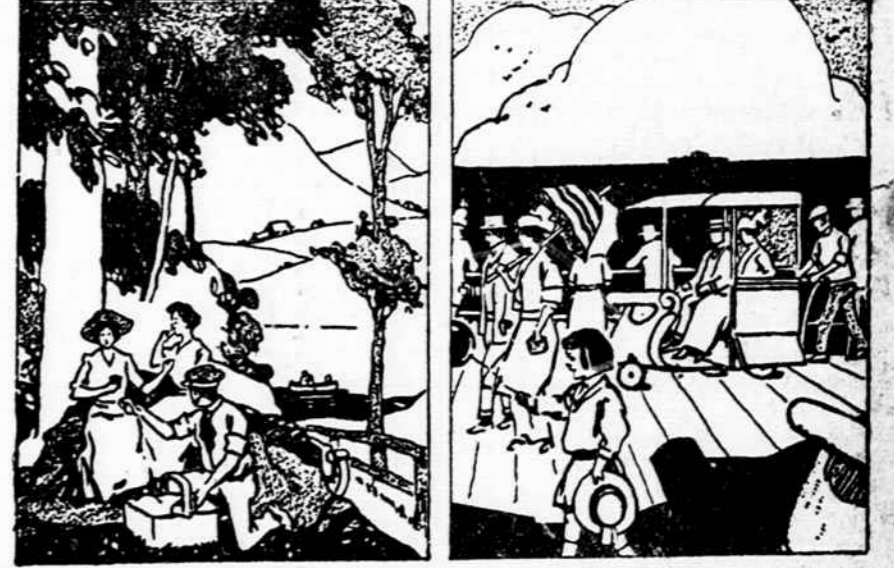

O WING to the rapid increase in our business, we have found it necessary to greatly enlarge our stock and to move into more commodious quarters. When we opened our hardware business last February the room we then occupied was thought to be large enough, but before many months passed and with a rapidly increasing trade we realized that a larger store room was necessary—more floor space must be obtained in order to meet the growing demand upon us for Hardware, Stoves, Ranges, Implements, Etc., so we secured the big double storeroom in the Nelson Block, formerly occupied by Mr. W. T. Wilkins, which was fitted with better and larger show windows and gives us nearly three times the floor space of our old quarters.

☐ The patronage of our friends and the people of Williamsburg County has made this move necessary and possible. We thank you heartily, one and all, and take particular pleasure in inviting you to our new quarters. We have just moved in, and our big stock is yet poorly arranged, but we are working hard to get it in order for the holiday trade and will take pleasure in serving you when you call.

☐ We make it a rule to handle only the best in our line and when you buy from us you may feel assured that you are getting a fair and square deal.
